Joseph Rousseau sr., 92, a 59-year Granite City resident, died at 9:05 p.m. Monday at St. Elizabeth Hospital, Belleville, where he had been a patient two weeks with pneumonia.

Mr. Rousseau retired 20 years ago from General Steel Industries, Inc., where he was a foreman. He had worked as a janitor at times since his retirement.

Born at LaVogues, France, he came to Granite City in 1903. His wife, Clementine, preceded him in death in 1954.

Mr. Rousseau was a member of the Sacred Heart Catholic Church.

Surviving are two sons, Louis Rousseau of Granite City and Joseph Rousseau jr. of Belleville, nine grandchildren and one great-grandchild.

Funeral services were conducted this morning at a local funeral home, with interment in a St. Louis cemetery.

An obituary notice appears elsewhere in this issue.

# Anchorage Chosen As Name Of New Elderly Housing

"Anchorage" was chosen as the name of the Granite City apartment housing project for Housing Authority's new 108-apartment housing project for the elderly during a monthly meeting of the board Tuesday night.

The name was one of about 30 which the board members have been discussing for the past several months. It gained favor as a symbol that the development would represent a harbor or haven of safety from life's storms for those residing there.

Board members expressed a preference for avoiding use of the words "Homes," "Apartments" or "Housing Project." As a result, the official name of the new units will be short and simple term.

Work On Footings, Plumbing  
Executive Director David Morgan reported that footing and foundations have been installed for seven of the new buildings, with three others excavated. Walls and floor surfaces have not yet been started.

Work at present is centering on plumbing, utility lines and furnace ducts beneath where the concrete floor slabs will be poured, Morgan said.

Sale of six-month notes in the amount of \$743,000 for the new project was authorized, with a low interest bid of 1.52% from Morgan Guaranty Trust Co. of New York being accepted. Temporary financing has been authorized by the government, meaning that the principal will be refinanced periodically, Morgan said.

Other bids opened Tuesday were 1.54% from Chemical Bank-New York City Trust Co., 1.56% from First National City Bank of New York, 1.58% from Bankers Trust Co., 1.60% from Salomon Brothers and Hutzler and 1.63% from Brown Brothers and Harriman Co. All are New York financial institutions.

# Funeral Rites Conducted For Mrs. Judy Willis, 39

Funeral services were conducted Monday afternoon at the Rosewood Heights Methodist Church for Mrs. Max (Judy) Willis, 39, of Roxana, who died last week of a cerebral hemorrhage. Interment was in Wanda Cemetery.

She was a sister-in-law of George Willis, 1527 Pontoon road, and was well known in the Quad-Cities area. Surviving, in addition to her husband, is a daughter, Mrs. Judy Jones, Wood River.

## Wm. Lierman, Larry Noblin Are Boys' State Delegates

William Lierman and Larry Noblin, Juniors at Granite City high school, will represent Tri-City American Legion Post 113 as delegates to the 1962 Legion Boys' State at Springfield June 24 to June 30.

Lierman is the son of Mr. and Mrs. William J. Lierman, 2496 Waterman avenue. He is 18 years old. Noblin's parents are Mr. and Mrs. Earl Noblin of 2417 Cleveland Blvd. He also is 18.

The two delegates were selected and to be sponsored by Legion Post 113, Joseph Gottfried, commander. They will join some 1200 other youths sponsored by Department of Illinois Legion posts in a week-long camp at the Illinois State Fairgrounds.

**Purpose of Camp**  
The purpose of Boys' State is to include training in the functional aspects of citizenship, teaching of constructive attitudes toward the American form of government and the individual's responsibilities.

## June 1957 Graduates Of GCHS Set Reunion

A reunion for the June 1957 graduating class of Granite City high school is being arranged for the evening of June 23, with reservations to be turned in by June 11 to Mrs. Joyce Dennerger Schroeder, 2431 Hemlock avenue, it was announced this week.

The five-year reunion for the class of over 200 is to feature music by a class member, John Kormanowski, who has an orchestra, and there will be a cold buffet dinner and entertainment. The gathering will be held at the Wadsworth restaurant at Belleville and the cost will be \$3.50 a person.

## Tri-City Motor Co. New Mercury Agency

Announcement is being made this week by Ford Motor Co. of the selection of Tri-City Motor Co., Inc., 21st street and Madison avenue, as the agency for sales of Mercury, Comet and Meteor automobiles.

Firm President Herbert Ousley said the new motor vehicle on display tomorrow in the show rooms and a staff of four salesmen will be on duty. Tri-City Motor also has its own service department with four trained mechanics.

## Dental Society Honors Dr. Fred Elmore

The Tri-City Dental Society combined its regular monthly meeting with an out-door steak dinner party Tuesday evening, given at the home of Dr. Kenneth Hillmer, 2900 Michigan avenue, the Society president, with Dr. Vasil Vasiloff displaying his culinary skill as chef at the broiler.

The meeting was devoted entirely to honoring Dr. Fred Elmore, who this year became a life member of the Illinois Dental Society and the American Dental Association in recognition of his 35 continuous years as a member of both groups.

Concluding the surprise tribute to Dr. Elmore, the local dentist was presented with a trophy bowl appropriately engraved. Twelve members enjoyed the evening and had as their guest a representative of the Granite City Dental Laboratory.

## County Veterinarian Seeks Salary Increase

A salary increase for County Veterinarian Mike Pellock of Edwardsville is under study by the Finance committee of the county board of supervisors, who received the request during a meeting Tuesday at Edwardsville.

The salary now is \$9000 a year, with the amount divided equally by the county and the state. In addition to the \$4500 share of salary, the county also pays \$2000 a year for office expenses. The request is for the maximum salary of \$9600.

# Levee District Action

## Bond Purchaser Is Named For First Abatement Work

East Side Levee & Sanitary District trustees last night approved an agreement with Benjamin Lewis & Co., Chicago securities firm, as purchaser of sewage revenue bonds to cover the cost of initial construction of the district's proposed pollution abatement facilities.

The district had been cited earlier this week by the Illinois Sanitary Water Board, and given one year in which to begin construction of such facilities.

Levee board President Lawrence Tolar said plans and specifications for a section of the abatement works in the Cahokia area are near completion by the consulting engineering firm of Horner & Shifrin, which estimates the cost of the Cahokia area outlet at \$850,000, including engineering and contingent fees.

The levee district agreement with the securities firm covers only the Cahokia outlet project, in an area where several small communities have agreed to join in the overall district abatement plan. The outlet, southernmost facility of the proposed abatement, Hoban said Benjamin Lewis & Co. would purchase the bonds

"at no fee." Another attorney for the district, John Sprague, said the levee board had not received notification of the one-year deadline on abatement construction, but added that he expected a communication from the Sanitary Water Board today. "But we have been cited," Sprague said.

Tolar commented that he was "thankful" the district had been given a year to comply with the water board's instrument system, would serve the Centerville township area.

No Purchase Fee  
Levee district attorney John Tolar said he was "very well" could have begun fining us a certain amount per day immediately," he said. "It was explained at (water board) hearing that the reason for our delay in beginning construction was that several cities have not decided whether to participate in the overall abatement plan, although given plenty of time to make up their minds."

Tolar said he thought since action was being taken by the levee district to comply with water board wishes, it was possible that the water board

would hold non-participating cities (including Granite City and East St. Louis) individually responsible to begin work on their own abatement works.

Horner & Shifrin should complete plans for the Cahokia outlet system in about a month, he added. Then the district can sell its revenue bonds, advertise for bids on the project and begin construction.

Local Contracts Let  
A low bid of \$11,837 from the Anchor Construction Co. of East St. Louis was accepted for an 803-foot-long section of 24-inch storm water sewer installation in the Miracle Manor area of Nameoki township.

According to board Clerk Ben Day, the contract was let before an ordinance approving the work at a cost not to exceed \$15,000 was passed officially by the board last night.

A renegotiated bid of \$226,130 by Keeley Bros. Construction

Co. of East St. Louis for the construction of a storm water sewer in Madison and Venice also was accepted, and the contract awarded. The bids were resubmitted after it was decided to eliminate the cost of a concrete cradle from the project by waiting until low stages of the Mississippi River make construction possible without it.

State Park, Place residents who appeared at the board meeting to complain about standing flood water were referred to the Canteen township engineer's office. They stated that flood waters from Canteen Creek had reached their homes five times in the past four years because of poor road ditch drainage.

Payment of \$82,500 to Union Electric Co. for an easement and relocation of electric company installations in the northwest corner of the Venice power plant, made necessary by the

construction of a new flood wall and relief pressure wells for the levee district by the Corps of Engineers, was also approved. The board's next regular meeting was set for Thursday, July 5.

ALVIN BARNES III is the president-elect of the Granite City Jaycees. He and other officers will be installed July 7 at the Sunset Hills country club.

## GC Jaycees Hold Annual Election

Newly-elected officers of the Granite City Junior Chamber of Commerce will be installed Saturday, July 7, at Sunset Hills Country Club. The annual election of officers was held Wednesday night.

The Jaycees elected Alvin Barnes III president for the coming year.

Other incoming officers are Boyd Presley, first vice-president; Donald Juergensen, second vice-president; John Worthen, secretary; Earl Dotzauer, treasurer; William Herbst, sergeant-at-arms; and Larry Holder, state director.

The new board of directors is composed of Frank Arbeiter, Paul Zeigler, Robert Francis, Jack Range, Paul Morris, Ray Lake, Donald Young, Jerry Dion, William Thoeke.

### City Sells 1000 Auto Licenses In 2 1/2 Days

With a police drive to begin shortly on Granite City auto owners failing to display 1962-\$3 city auto licenses, sale of the \$3 stickers increased sharply this week it was reported today by City Clerk A. L. Stevens.

A notice Monday by Police Chief Raymond Willard that the annual campaign with roadblocks and issuance of arrest tickets to begin in the near future resulted in more than 1000 auto owners buying their new city licenses.

Clerk Stevens said today the number sold is nearly 8500, while on Monday not quite 7500 had been sold. In the 1961-62 fiscal year, 11,539 city windshield stickers were sold, and this year the total sale is expected to top 12,000.

The new license became due May 1, the start of the city's fiscal year.

### Bi-State Agency Gets Final Transit Report

Final report on feasibility of a unified metropolitan mass transportation system was received yesterday by the transit committee of the Bi-State Development Agency, which decided to study the report further before taking action.

The report was submitted by R. Gilman Smith, partner in the New York traffic consulting firm of W. C. Gilman and Company. The firm has made a study of the proposed Bi-State purchase and operation of 15 separate transit lines presently operating in the metropolitan area.

The Gilman report has been favorable, with the qualification that the combined purchase price should not exceed \$25,000,000. Revenue bonds to purchase existing lines at that price would be marketable, reports have indicated.

## Spengler Ties For Lead On 4-1 Classic League Win

Spengler Insurance moved up to tie for first place in the park district's Classic Softball League at Wilson Park Tuesday night behind the four-hit pitching of Leo Six and a four-hit fourth inning which produced three runs.

Spengler topped Rome & Roy's 4-1 for its second victory without a loss, and now shares first place with 2-0 Moose Club 272.

In the night's first game, Granite City Steel Credit Union scored all it needed—three runs—in the first frame and went on to top Madison Bowling Club 7-2.

Gene Grace drove in two runs for Spengler with a two-run single in the fourth inning, and Six followed with another RBI as Spengler added one run in the fifth on Rudy Diak's triple, which came with two out and a runner at second.

Rome & Roy's took a 1-0 lead in the third on Rich Blue's hit walk and a passed ball. Jim Childers hurled five innings and was the loser, Carroll Tinsley finished up for the losers.

Jack James' single was the only hit in the Credit Union's big first, but the winners combined it with three walks and three fielders' choices for three runs.

Devey Melton drove in three runs, two of them with a fourth-inning double and the double with a triple in the sixth.

Winning pitcher James gave up just two hits, both in the Madison fourth, when the losers tallied both their runs. Bill Leake, who surrendered five hits, was the loser.

In the classic league tonight, Spengler will play "Rays" Blue Truck Stop (0-1) at 7 o'clock, and the Granite City (0-1) will meet Moose Club (2-0) at 8:15.

**Park Sports Camp Registration Lags; May Be Cancelled**

With reservations for a planned boys' and girls' summer sports camp lagging—just 27 have been received to date—the registration deadline has been extended until Monday, June 11, at which time the decision to hold the camps or cancel them will be made on the basis of interest, Harold Brown, supervisor of parks and recreation, said today.

Six one-week camp sessions are planned from June 13 to July 27, with a \$10-per-week fee charged for the supervised activities, noon meals and a camp T-shirt.

Brown said at least 15 youngsters, ages eight through 14, must be registered each week to make the camp successful. Parents will be notified and registration fees returned in case the camps are canceled, he said.

**VICTORY LAP** with starter's flag, plus trophy, were rewards Tuesday night for Chuck Kornwald, who won 35-lap feature event for super-modified stock cars at the Tri-City Speedway. The track hosts heat and feature races in fender-bender, amateur and super-modified classes each Tuesday at 8:30.

## Feature Race Captured By Kornwald

Chuck Kornwald pushed his No. 83 to victory in the feature race Tuesday night at the Tri-City Speedway, taking over the lead in the 35-lap modified race after the early leader, Wilb Spaulding, was forced out by a blown engine.

Kornwald and second-place finisher Jim Mohon both picked up trophies for their efforts. Spaulding had set the fastest time in qualifying runs with a lap of 16.03 seconds.

Other feature event winners were Ferdinand Moreland in the Amateur car class and Joe Lira in the fender-benders.

Dave Hollis of Granite City was first in the modified class handicap event. Modified heat races were won by Chuck Lynch and Mohon, and winners in fender-bender preliminaries were Bob Christy and Clyde Lindner.

Amateur heats went to Moreland and Ronnie Thompson. Next Tuesday's race card will include a \$1000 purse modified feature windup, with \$200 and a trophy going to the winner.

## Sports Jamboree Swimming Events Here On June 30

Granite City Jaycees will stage the swimming division events of a regional "Sports Jamboree" June 30 at the Paddlers pool, it was announced last night during a Jaycee meeting.

The club's track and field local eliminations were conducted here earlier this month.

Competitive swimmers and divers from the YMCA and Paddlers are expected to form the bulk of entries who will vie for sports in the sectional sports jamboree, scheduled here on July 31. Track and field events also are included on the program, with winners qualifying for the state finals.

More than 950 entries have been received here for the sectional competition. The program is sponsored jointly by the Jaycees and the Illinois Youth Commission.

Broader Probe Planned

On Vote Law Violations

Broadening of an investigation of April 14 voting on Granite City school board members has resulted in postponement of the submission of evidence to the Madison county grand jury. The case will be presented to the September grand jury, Assistant State's Attorney Richard Allen told the Press-Record yesterday.

Indications of age and residence violations are sufficient to warrant a more thorough study than would have been possible if the state's attorney's office had followed its original plan of presenting information to the jury which reported this week, Allen said. The votes in question were cast at the polling place located at Washington grade school.

Sacred Heart Festival Starts Friday—3 Days

The second annual "summer festival" of Sacred Heart Catholic Church is planned for tomorrow, starting at 4 p.m., and will continue through Sunday evening. Rides for youngsters and game-booths are being assembled today on the playground.

A fish fry and spaghetti supper is set for Friday at 4 p.m. and Saturday and Sunday the refreshment booths will feature ham sandwiches, and other items beginning at 2 p.m. All food served will be home-cooked and carryout service available.

Saturday afternoon, a children's matinee on rides will feature reduced rates, and the same evening there will be dancing to an orchestra in the gymnasium. Members of the Sacred Heart Mothers' and Fathers' Clubs are co-sponsors. Proceeds derived will be used to purchase items for the school children.

Traffic Accident Mitzel M. Hobbs, 35, of 2240 Washington avenue, was given an arrest ticket Wednesday for failure to yield the right-of-way. Her auto was involved in a collision at 30th and Iowa streets with an auto driven by Cecil H. Wallace, 18, of 2124 Pontoon road.

raise after a membership meeting Tuesday. Figures of \$88 and \$77 had been listed previously, the latter being estimated by the district as costing \$796,000 over two years, including other requests.

The board last night unofficially agreed to boost its offer of \$125,000 to approximately \$170,000 for salary raises over a two-year period.

## Sudden Attack Fatal To Wm. Thiemann, Venice

William Thiemann, 74, of 1108 College street, Venice, died of a sudden heart attack about 2:30 p.m. yesterday at Fredericktown, Mo., where he made daily deliveries as a trucker.

Mr. Thiemann had operated a trucking business in Venice for 35 years, and was a 62-year resident of the community. He was born in St. Louis.

A son, Monroe Thiemann of Madison, said his father had been in apparent good health, and had not complained of being ill before leaving for Missouri yesterday morning.

Mr. Thiemann's survivors, in addition to the son in Madison, include his wife, Lulu; another son, William Jr. of Wellston, Mo.; a brother, Walter, of Davenport, Ia.; four sisters, Mrs. Charles (Edith) Hurt, Mrs. Matilda Ritter and Miss Gussie Thiemann of Granite City and Mrs. Little Graves of Alton, and one grandchild.

Funeral arrangements are given in the obituary column.

Wrong Name Listed

Diane Spiff, 19, of 2636 East 27th street was erroneously listed Monday's issue as the driver of a car involved in a minor collision over the weekend. Miss Spiff was the owner of one of the vehicles and was not driving.

Students honored for aiding school staffs included the following: Office — Linda Casler, Judy Cawins, Cynthia Crews, Gail Demery, Karen Durbin, Linda Hardas, Margaret Jones, Pat Kambarian, Sharon Luebber, Connie McDaniel, Jerry Moore, Janice Parks, Sandra Pence, Janice Zimmet and Doris Haldeman.

The case will be presented to the September grand jury, Assistant State's Attorney Richard Allen told the Press-Record yesterday.

Indications of age and residence violations are sufficient to warrant a more thorough study than would have been possible if the state's attorney's office had followed its original plan of presenting information to the jury which reported this week, Allen said. The votes in question were cast at the polling place located at Washington grade school.

Sacred Heart Festival Starts Friday—3 Days

The second annual "summer festival" of Sacred Heart Catholic Church is planned for tomorrow, starting at 4 p.m., and will continue through Sunday evening. Rides for youngsters and game-booths are being assembled today on the playground.

A fish fry and spaghetti supper is set for Friday at 4 p.m. and Saturday and Sunday the refreshment booths will feature ham sandwiches, and other items beginning at 2 p.m. All food served will be home-cooked and carryout service available.

Saturday afternoon, a children's matinee on rides will feature reduced rates, and the same evening there will be dancing to an orchestra in the gymnasium. Members of the Sacred Heart Mothers' and Fathers' Clubs are co-sponsors. Proceeds derived will be used to purchase items for the school children.

Traffic Accident Mitzel M. Hobbs, 35, of 2240 Washington avenue, was given an arrest ticket Wednesday for failure to yield the right-of-way. Her auto was involved in a collision at 30th and Iowa streets with an auto driven by Cecil H. Wallace, 18, of 2124 Pontoon road.

raise after a membership meeting Tuesday. Figures of \$88 and \$77 had been listed previously, the latter being estimated by the district as costing \$796,000 over two years, including other requests.

The board last night unofficially agreed to boost its offer of \$125,000 to approximately \$170,000 for salary raises over a two-year period.

## Zoning Called Essential

(Continued from Page 1)

written statements for inclusion in the hearing record may be submitted July 1.

Charles Lucas, a farmer, asked that a manufacturing designation be removed from his property, urged inclusion of authority for crop processing, criticized residential provisions for small stables and sewage treatment and urged the commissioners to "read your ordinance" when they did not agree that feeding of cattle was to be barred on farms.

Answers By Supervisor Lucas said any land over three acres is classed as a farm and said the mile-and-a-half zoning authority around cities is sufficient. Alton Mayor of the County Board of Supervisors said the ordinance does not mention the three-acre provision and added that only Alton and Granite City have effective control of their fringe areas.

Edwin F. Reiske, president of the Tri-City Trades and Labor Council, said workmen need zoning for their county to have an opportunity for orderly growth. "This is the best thing for our county. We feel the

Board of Supervisors will treat everyone fairly under this ordinance," he said.

Nameoki township and Madison county have experienced rapid growth, which soon will place emphasis on housing, recreation, schools and other facilities requiring large expenditures; to help pay for them, new industry must be attracted with zoning, resulting in greater sharing of taxes, William F. Winter, Press-Record associate editor and a Nameoki resident, told the gathering.

Expanded job opportunities from new industry also will be important due to the population growth, 82% of which is linked to the birthrate and 18% to movement into the county, Winter commented. "With 2% more people every year, and the fast growth in the rural area, we must look beyond present conditions to the future," he added. "Zoning is a 'must' if we are to continue to have adequate income and a good place in which to live."

Everett Steele, local realtor, cited recent layoffs and asserted that this county is losing a chance to acquire new industry due to the lack of zoning. He said a new governmental approach, such as zoning, is needed with the spread of residential and other developments into unincorporated areas.

Louis Cronko, a farmer, said 90% of Nameoki township is agricultural and asked why 10% the majority by a minority.

## Disorderly Men Sought

Granite City police are seeking the identity of the driver of a 1957 red and white automobile who allegedly exposed his person before a woman 73 Edwardsville road Wednesday afternoon.

of the people should be allowed to force zoning on the 90%. Mrs. Harry Lewis, 73, of the Edwardsville area urged that the public express its zoning views to the supervisors.

Charles A. Meyer of Granite City said zoning has worked well in the city and should be extended to the county. He remarked that changing times require new governmental steps to meet new problems. Rapid population growth can create major problems, he said, which can be avoided with the help of zoning. A supermarket operator took exception to stores being classified along with junk yards as undesirable in residential neighborhoods. He said the commission should include an operator of a small business in its membership.

A question was answered with the statement that property is assessed according to its present use, not its potential use under zoning. Erwin Wein of Glen Carbon said farmers do not want zoning, and a spectator said there is an effort to "shove zoning down our throats." Another told him that lack of zoning should not be forced upon the agricultural and asked why 10% the majority by a minority.

## Mrs. Grace Winkmeier Dies Today At Age 61

### Mrs. Buenger Elected As Trio Unit Chairman

Mrs. Charles Buenger was elected chairman of the Trio unit of the Madison County Homemakers Association at the unit's monthly meeting Tuesday afternoon in the home of Mrs. James Cochran on Thorngate lane.

The hostess served a dessert luncheon preceding the meeting, which was conducted by the retiring chairman, Mrs. Earl Schilling. It was announced that a meeting of the National Homemakers Demonstrations will be held in Lexington, Ky., Aug. 16, and plans are being made for the members in this area to charter a bus for the trip.

Mrs. Harold Rapp, program chairman, reported that the unit will study "Home Furnishing in Color" as the main topic for the coming year. Mrs. Robert Brue, reported that the 4-H House at the University of Illinois will hold open house for all and Homemakers are being invited. Mrs. Rapp announced that changes will be made in the minor lessons and they will be announced at a later meeting.

A discussion was held by the unit members on beginning a scrapbook, and Mrs. Gerald Lux was appointed as keeper of the book. Mrs. Lux also reported on the units winning prizes for having the largest number of members at the annual meeting May 23.

After the election of officers for the next two years, Mrs. Lawrence Markham was installed as chairman, Mrs. Buenger as secretary and Mrs. Brue as treasurer. The second vice-chairman, Mrs. Lux, and the treasurer, Mrs. John Moser, were elected last year and will remain in office for one more year.

The day's major lesson, "Force, Shame and Self-Control" was presented by Mrs. Earl Schilling, jr., who discussed human emotions.

Mrs. Markham gave the minor lesson on "Drying Flowers" and had a display table with various arrangements that she had made for decorations, as well as preserving.

Mrs. Schilling closed the meeting with a poem on Ben Burroughs sketches. The next meeting will be July 3 in the home of Mrs. Rapp, 3200 Wabash avenue.

Others attending the meeting were Mrs. William Branding, Mrs. Charles Guth, Mrs. Norman, Mrs. Eugene Short, Mrs. Norman Soechting and a guest, Mrs. Pearl Anderson.

### War I Units Plan Picnic, Name Delegates

Barracks 34 and the Auxiliary of the Veterans of World War One of the USA met Tuesday evening at the YVW hall with approximately 50 members present. The meetings were conducted by Commander Charles Hutchins and the president, Mrs. Estelle McBrian.

Plans were discussed for a picnic to be held at Dan's farm in Edwardsville on June 24 at 1 p.m. Delegates elected for the state convention in Aurora on July 6, 7, 8 were Irene Hendricks, Cassie Munsterman, Grace Hutchins, Elizabeth Hutzel and Audrey Brown. The alternates will be Vera Schilling, Clara Conway, Eva Durham, Leonie Benark, Minnie Bratten and Mabel Clark.

Following the meeting, a social hour was enjoyed and lunch was served.

### \$245 In Fines Levied On Traffic Charges

Abc C, Hoy, 49 of 2649 Grand avenue, was fined a total of \$245 including costs this morning on an accumulation of charges after he was involved in two traffic accidents Wednesday.

The charges included two counts of leaving the scene of an accident, two counts of reckless driving, running a red light, having no driver's license and resisting arrest. One count of reckless driving was dismissed by Police Magistrate Gasparovic.

Police said his car struck another driven by R. L. Richardson, 17, of 2828 Nameoki road, at Madison avenue and 27th street, and Hoy left the scene.

Richardson told police he had the green light in his favor.

Hoy's car also struck another at 27th and Iowa streets, the reports show. It was owned by James M. Gerboe, 36, of 1725 Brown avenue. Hoy was apprehended by police in the 2600 block of Grand avenue. The two collisions occurred about three minutes apart, it was estimated.

"Make All Things New" was the topic of the evening's program, which consisted of a film of the same title. The film interpreted the work of deacons.

Miss Groshong announced that a reception to welcome the new pastor, Rev. Frank Pierce, his wife and children, Patricia and Howard, will be held Sunday evening following the church services.

The meeting closed with prayer by Mrs. Vivian Gulka and a late dessert course, served by the evening's hostesses, Mrs. Virginia Carroll and Mrs. Ann Stal-

## Turkey Marketing Vote To Be Held June 18-22

Voting in the growers' referendum on the national turkey marketing order will be by secret ballot at county and state ASCS office, Edwin C. Rethmeier, chairman of the Agricultural Stabilization and Conservation Madison County Committee, assured farmers today. The balloting will take place from June 18 through June 22, and producers may vote either in person or by mail. The turkey order must be approved by at least two-thirds of the producers voting, by number or by volume of their production, before it can be placed in effect.

Those eligible to vote will include "producer-growers" who market more than 3600 pounds (live weight) of turkeys in 1961 and "contract producers" who in 1961 had a risk-of-loss contract in turkeys produced by a producer-grower. By law, cooperatives may vote for their producer-members.

The chairman explained that each eligible producer must certify the live weight volume of his turkey marketings in 1961. This certified volume will appear on his ballot when he receives it from the ASCS county office (or state office, as the case may be).

The ballot will be given to the producer with one envelope marked "ballot," and another marked "producer's return address and the address of the ASCS county office in which his vote must be cast. If the balloting is by mail, the plain envelope, sealed and containing the ballot, then will be placed in the second envelope and mailed to the ASCS office. If the producer prefers, he can mark his ballot in the county office, seal it in the ballot envelope, place it in the ballot box, and deposit it in the ballot box. The results of the balloting will be announced by the Secretary of Agriculture.

Certifications showing the volume of 1961 turkey marketings must be filed no later than June 8 by contract producers and by cooperatives desiring to vote for their members. The filing must be at the ASCS state office for the state in which their principal place of business is located; if they operate only in one county, certifications would be filed in that county.

Mr. and Mrs. Sherman Ray and children, Dennis and Annette, 1640 Venice Avenue, had as Sunday guests Ray's sister, Mrs. Charles Housh, for observation and treatment. DeHart is employed as a heavy equipment operator at the Granite City Engineer Depot.

## Charges Hospital In \$15,000 Suit

A \$15,000 suit has been filed against the Sisters of Divine Providence by a Granite City man who claims he became infected as a result of improper antiseptic practices at St. Elizabeth Hospital.

The suit was filed by Leslie Nash, 3700 Marshall Avenue. The local hospital is operated by the Sisters, named as defendants.

Nash claims the hospital was negligent in failing to administer a safe and proper antiseptic to prevent infection when he served as a blood donor there last February.

A spokesman for the hospital declined comment, but said hospital officials may make a statement when they become more familiar with the charges.

## Heart Fund Chairman Honors Press-Record

Press-Record Editor and Publisher C. E. Townsend was presented with a certificate of merit yesterday by Joseph Gottfried, chairman of the 1962 Heart Fund drive. "For outstanding service in advancing the Heart program and stimulating public support in the fight against the disease of the heart and circulation."

Gottfried reported this year's campaign was an over-the-top success, attaining 102% of its goal.

He said the case had been turned over to the hospital's insurance company.

### Season Ends For Rebecca Circle

The Rebecca Circle of Niedringhaus Memorial Methodist Church met for a pot luck supper in Wesley Hall Tuesday evening with Mrs. Dona Crawford, leader, presiding over the final meeting of the season.

The evening's program featured a talk by Miss Olive Frohardt, daughter of Mrs. Dorothy Frohardt, a teacher in Waukegan, Ill., who discussed the activities of the Wesleyan Service Guild, a division of the Woman's Society of Christian Service, at First Methodist Church, Waukegan.

Before adjourning, the group sang the guild song and concluded with prayer. Seventeen members and five guests were present, among whom were Mrs. Pearl Campbell, Mrs. James West, Miss Frohardt, Mrs. R. L. Miller and Mrs. Floyd Carr.

The circle will resume monthly sessions in September.

### Mrs. Baskette Hostess For Club

Mrs. Nell Baskette, 2014 Grand avenue, was hostess to the S. T. Club Tuesday evening for the final get-together of the season. Top honors at games went to Mrs. Ruth Roberts, Mrs. Nell Schaffner, Mrs. William Sackett and Mrs. Mary Taylor who received prizes.

A dessert course was served to the prize winners and Mrs. Mary Connelley, Mrs. Mollie Fisher, Mrs. Mae Massie, Mrs. Lillian Heinemann, Mrs. Ruth Reynolds, Mrs. Ida Thompson and a guest, Mrs. Lillian Jones. The club will resume regular meetings in September with Mrs. Heinemann scheduled as the initial hostess.

## Joint Meeting For St. Peter, St. John Guilds

The Evening Guild of St. Peter United Church of Christ held its final business meeting and program of the season, Monday evening in the Fellowship Hall, with ladies of the church and members of the Evening Guild of St. John United Church of Christ as special guests.

"How God Answers Prayer" was the topic of the devotional service led by Mrs. Laura Taylor, Spiritual Life chairman, who was assisted by Mrs. Helen Presley, Mrs. Esther Ruth Zimmer, Mrs. Eva Johansmeyer, Mrs. Anabel Taitton, Mrs. Rose Mary Kaborek, Mrs. Doris Anderson, Miss Leona Wintermyer and Mrs. Georgia Bottigger.

Before adjourning, the group sang the guild song and concluded with prayer. Seventeen members and five guests were present, among whom were Mrs. Pearl Campbell, Mrs. James West, Miss Frohardt, Mrs. R. L. Miller and Mrs. Floyd Carr.

The circle will resume monthly sessions in September.

A review of the current best-seller, "To Kill a Mockingbird," (Harcourt-Lee) was given by Mrs. Virginia Nolte before the two groups adjourned for separate business sessions under direction of their presidents, Mrs. Alice Elledge, St. Peter, and Mrs. Bea Rittenhouse, St. John's Guild.

Later, they reconvened for a social hour with punch and tea. The buffet serving tables were appointed with a profusion of spring garden flowers as centerpieces. Hostesses were Mrs. Doris Anderson, Mrs. Wright, Miss Wintermyer, Miss Thelma Weissenborn and Mrs. Zimmer.

**FAREWELL PARTY FOR MRS. VANYO**

The Welcome Wagon Club honored Mrs. Charlotte Vanyo with a farewell party Wednesday morning, given in the home of Mrs. Sylvia Z. Bryjak, 2167 Lee avenue.

The guest of honor is leaving the city shortly to make her home in LaSalle, Ill.

Brunch was served by the hostesses, Mrs. Helen Presley, Mrs. Lorraine Decatur, Mrs. Jo Ann Weisnick, Mrs. Nina Hager, Mrs. Hazel Brink and Mrs. Arlene Walker.

**Pink And Blue Shower Honors Mrs. Gusewelle**

Mrs. Sharon Gusewelle was honored at a pink and blue shower, Monday evening given by Mrs. Violet Adams, 2241 Peeling road, in her home, with Mrs. Sue Colligan, Mrs. Maxine Hoelter and Mrs. Darlene Heth assisting.

Decorations for the surprise party were in a white, blue and pink color scheme, with the gift table holding a life-like baby doll, sheltered under a colorful umbrella. The punch table was appointed in a complimentary motif with a pink plush musical doll, flanked with tall pink candles cleverly decorated with blue pacifiers as its centerpiece.

Games were played and prizes awarded to Mrs. Caroline Belling, Mrs. Colligan, Mrs. Hoelter, Mrs. Rita Ludwig, Mrs. Doreen Miller, Mrs. Jean Rawlings, Miss Susan Bagwell of St. Louis and Miss Patience Cox, mother of the honoree.

Other guests were Mrs. Norma Marston, Mrs. Pat Forgeson and Mrs. Ruth Bunch.

**Esther Circle's Final Meeting**

Mrs. Van W. Best and Mrs. Ethel DeRousse were co-hostesses Wednesday at a noon desert luncheon for 15 members of the Esther Circle of Niedringhaus Memorial Methodist Church which preceded the regular meeting of the group at 1 p.m.

Mrs. Clara Dawdy, co-leader, opened the business session and roll call was answered with reports of the number of sick calls made by members during the month.

Mrs. Mildred Cundiff gave the lesson "Growth In Faith," and an article entitled "Peace" was read by Mrs. Dawdy. Yesterday's meeting concluded the formal sessions for the season, however, the ladies will continue to meet each Wednesday at the church for quilting.

**ENGAGED. Miss Ruth Roland, whose betrothal to Petty Officer Third Class Ralph Bradford Jr. is announced by her grandparents, Mr. and Mrs. Marshall Roland of Staunton, formerly of Granite City.**

**Miss Ruth Roland, Ralph Bradford Jr. Are Engaged**

Mr. and Mrs. Marshall Roland of Staunton, Ill., are announcing the engagement of their daughter, Miss Ruth Roland, to Petty Officer Third Class Ralph Bradford Jr., whose parents are Mrs. Elsie Rogers, 3227 Funtoun road, and Ralph Bradford Jr. of Madison.

The bride-elect will graduate this year at Granite City high school. Her fiancé, an electronics technician in the radar division, attended Granite City schools and the Naval Training Center, Great Lakes, Ill. He recently completed his second year in the Navy and re-enlisted for an additional six year tour of duty.

Wedding plans of the newly engaged couple are indefinite at the present time.

**Miss Parrish Is Honored At Shower**

Miss Jackie Parrish, who will become the bride of Robert Schumacher on June 16, was complimented with a personal shower, Monday evening, given by her sister-in-law, Mrs. David Parrish, 2544 Waterman avenue.

Joyous yellow and white predominated the decorations with the gift table holding a bride doll and attendant gown in yellow. The buffet refreshment table was centered with three tiny parasols, crumpling miniature bridesmaid figurines surrounded with arrangements of carnations. Favors for each guest were tiny "ring boxes" made of marshmallows, in lily of the valley pattern. Miss Parrish also received a yellow carnation corsage.

After the packages were opened, games were played under the direction of the hostess, assisted by Mrs. Richard Williams, who presented prizes.

Among the guests were Mrs. Stanley Edwards, Mrs. Richard Harrison, Mrs. Elmer Gruen, Mrs. Jesse Tapp, Mrs. John Gordon, Mrs. Clifford Canner of Venice, Mrs. Roy Hulse, Mrs. Clay Hulse, Miss Paula Smith and the prospective bridegroom's mother, Mrs. Clarence Schumacher.

The bride-elect is the daughter of Mrs. Hazen Parrish of Walnut Grove, Mo. Her fiancé's parents, Mr. and Mrs. Clarence Schumacher reside at 2945 Iowa street.

The wedding ceremony will be performed at Central Christian Church Chapel with Rev. James R. Craddock officiating.

**Brownie Troop 116 Holds 'Fly-Up'**

Parents and friends were on hand Tuesday afternoon at Marshall school cafeteria when Brownie Troop 116, sponsored by Marshall school PTA held its "fly-up" ceremony.

Under the direction of Mrs. Jane Hulse, leader and Mrs. Cecelia Holman, co-leader, the girls were presented with fly-up wings and Girl Scout pins.

Those who met the requirements and received awards were Betty Baker, Ovella Brokaw, Mary Dowdy, Ruth Holman, Donna Hooker, Theresa Hooker, Terry Hulse, Cheryl Johnson, Marilyn McKinney, Kathy Musil, Kathy Nolen, Monica Pithers, Janet Tripp, Carol Walker and Janice Walton.

Following the ceremony, refreshments were served to the guests with the leaders assisted by Mrs. Marlene Brokaw and Mrs. Clara Nolen. The buffet tables held bouquets of roses as their central arrangements. The Troop made plans to hold a cookout this afternoon at Wilson Park as the season's final activity.

## Past Matron Club Closes Season

The Past Matron's Club, Granite City Chapter 650, Order of the Eastern Star, was entertained Monday evening in the home of Mrs. Virginia John, 2108 Waterman avenue. A special guest at the final meeting of the summer months was Mrs. Kathryn Edmonds, worthy matron.

A brief business session was conducted by the president, Mrs. Blanche Leichter with the remainder of the time spent at games. Those who received gifts from the hostess were Mrs. Edmonds, Mrs. Alma Robinson and Mrs. Tena Neunreiter. A buffet supper for the 17 members concluded the evening. Meetings will resume in Sept. 10 with Mrs. Golda Beiser as hostess for the first get-together.

**DAV AUXILIARY VISITS AT COUNTY SANATORIUM**

Five members of the DAV Auxiliary entertained patients at the county sanatorium in Edwardsville Monday evening. They played games, gave prizes and served ice cream and cake. Marine Pfc Robert E. Spain, whose parents, Mr. and Mrs. Clyde Spain reside at 2030 Macdonald avenue is spending a month's leave at home, where he arrived this week from Camp Lejeune, N. C. On completion of his furlough, he will report for temporary duty at San Diego, Calif., where he is scheduled to take a 15-week course in radio-telegraph operations. Pfc Spain, a 1960 graduate of Granite City high school, has been in service for two years.

### DINNER PARTY HONORS

#### THIRTY ADVISOR

Members of the Tri-Delta Tri-Hi-Y club enjoyed a dinner at the Rose Bowl Monday evening and honored their advisor for the past two years, Mrs. Rose Weil.

Miss Pat Whitecotton, president of the group, presented Mrs. Weil with a corsage and a German cut-glass candy dish in appreciation of her efforts. The evening devotion was offered by the chaplain, Miss Mary Wetzel, and a social hour was enjoyed after the dinner. Mrs. Weil gave a brief talk in response to the gift.

The group, which is made up of graduating seniors, presented Miss Phyllis Richter with the

club scrapbook. The children of Mrs. Weil, Nancy and David, received the club piggy-bank, which was emptied for the last dinner party.

Other members attending were Miss Betty Byrnes, Miss Marion Wagner, Miss Kathy Sueich, Miss Sharon Cruse, Miss Sandy Whitecotton, Miss Adele Koch, Miss Donna Scher, Miss Barbara Newhouse, Miss Leslie Kolesa, Miss Patricia Hursey, Miss Joan Schumacher, Miss Dora Sternberg, Miss Judy Towse, Miss Cindy Lasiter, Miss Ellen Winters and Miss Olivia Talley.

#### VISIT IN ARKANSAS

Mr. and Mrs. Jerry Sladky and children, Valerie, Terri, Judy and Jerry, 4116 Melrose avenue, spent the weekend in Mammoth Springs, Ark., visiting at the home of Theodore Anderson and in Hardy, Ark., at the home of Kenneth Anderson.

### MRS. KUNZE HONORED

#### AS CHAPTER FOUNDER

In observance of the 48th anniversary of the founding of the Amayville Chapter, Order of Eastern Star, Marissa, Ill., Mrs. Henry C. Kunze, 3805 Franklin avenue, was honored at a dinner party Sunday evening given by her daughter, Mrs. Robert W. Stevens of the Franklin address.

The guest of honor was responsible for the formation of the chapter in 1914 and her niece, Mrs. Fred Keim of Marissa, is its current worthy matron.

Mrs. Kunze was presented with a floral centerpiece and corsage from the chapter, and her husband received a boutonniere.

Mr. and Mrs. Fred Keim and daughter, Mr. and Mrs. Arthur Huelbig and Mrs. Mary Pfisterer, all from Marissa, Mr. and Mrs. Arthur Baer, Mr. and Mrs. George Kranz of Belleville, Mrs. Anna Watt, Mr. and Mrs. G. M. Lindsey, Mrs. Lucella Ulrich of Tilden, Mr. and Mrs. Harry Cook and Mrs. Kunze's son-in-law, Robert W. Stevens.

Addition friends active in the Eastern Star from the surrounding area called earlier in the afternoon. Assisting Mrs. Stevens were Miss Rose Elliot, Mrs. Teresa Neagu, Mrs. Sue Cain and Mrs. Walton, all of Madison.

## GC Police Pick

Up Tavern License

After hours operation was given as the basis for Granite City police confiscating the city liquor license of the Pick & Ape Club, 1801 Spruce street, at 1:30 a.m. Wednesday. Mayor Davis, who is city league commissioner, told the Press-Record the tavern will remain closed until a hearing is conducted.

#### PERSONS LIVING NEAR THE TAVERN

The mayor added that he also plans a pre-hearing conference with the proprietor. Persons living near the tavern told the Press-Record it features music six nights a week, and only because of complaints made several weeks ago have the windows been closed, reducing the noise. Off-duty city policemen also are hired by the club to keep order several nights a week, they said.

probably next week.

The police report to the mayor showed three patrons, who the mayor said were musicians, were in the tavern at 1:30 a.m. The operator is listed as Marvin Elmore, who also is on city records as the president of the club.

Nearby residents, Mayor Davis said, have been complaining of noise and misconduct outside the tavern and may be called as witnesses for the hearing. A date has not been set, but Mayor Davis said he would confer as soon as possible with City Atty. John Gitchett and set a date.

The mayor added that he also plans a pre-hearing conference with the proprietor. Persons living near the tavern told the Press-Record it features music six nights a week, and only because of complaints made several weeks ago have the windows been closed, reducing the noise. Off-duty city policemen also are hired by the club to keep order several nights a week, they said.

# Talks To Resume

(Continued from Page 1)

ter degree teachers' over the present pay scale. The sliding scale increases also would be added to that figure.

Board President Lester Salem pointed out that the original

AFT proposal had asked for a new classification for teachers with master degrees plus 30 semester hours. He said the new proposal, requiring only 16 semester hours, constitutes a greater request than the original.

**Initial Proposal**  
The union's original suggestion was for an across-the-board pay hike reaching \$22 in the second year, plus a \$3 increase after a year in the system for each additional year through 10 years, reaching \$30 in the tenth year.

The union had asked for negotiations earlier this year.

Salem said the board met with the salary committee of Local 965 on May 21. The union's reply was in a letter from Butts, dated May 22.

"We pointed out that our tax rate was increased 13.4 cents this year," Salem said, "and that we have reached the limits of our tax sources. Our proposals would bring us to our tax limits, and we could not increase salaries any more without a referendum."

## "In Line With Others"

"I feel our proposals are in line with other school districts of Madison county. In our analysis, they (the teachers) actually are asking more than the first time. We still are pretty far apart."

Supt. John O. Pier said members of the salary committee have indicated they will be unable to meet with the board for further negotiations this summer, as most will be out-of-town. He said they asked to resume negotiations next September.

In addition to the pay increases, the union asked for a \$22-a-month payment to teachers who serve as yearbook sponsor, junior and senior class sponsor and student council sponsor. In their original request, they asked severance pay equal to one-fourth the unused sick leave when a teacher leaves the system, and a bonus of \$25 for each semester of perfect attendance. In a letter to County Supt. Wilbur R. L. Trimpe, Kenneth H. Lemmer, legal adviser in the office of State Supt. George T. Mer said the question has been

Wilkins, indicated that neither proposal legally could be granted, it was reported Monday night.

## Legal Ruling

"With reference to the first question," Lemmer wrote, "we find no authority in the school code for severance pay to teachers leaving the school system, and no authority in the statute for the use of sick leave for any other purpose than those set forth therein."

Concerning the bonus, Lemmer said the question has been

before the state office on a number of occasions. "It is the opinion of this office that the school boards are the custodians of tax funds only for the purposes for which they are raised and that the giving of gifts to any persons of public monies for a particular purpose is illegal," he wrote.

Happiness is the reward the world bestows on people who have learned how to live.

Don't let yearning replace endeavor in your way of life.

## Area Contract Awarded For Survey Of Shelters

A contract for the second phase of a fallout shelter survey in southwestern Illinois counties has been awarded to the firm of Homer L. Chastain & Associates of Decatur. It was announced today by Col. J. A. Smedley, Chicago Army district engineer.

The contract provides for the counties of Madison, St. Clair, Marion, Clinton, Williamson, Jackson and Randolph.

In the second phase, the firm will be responsible for marking selected shelters which were inventoried during the first phase, determining the cost of improving certain shelter areas, and surveying special facilities.

It is the Chastain firm's second area for a Phase Two survey. The state is divided into seven geographical areas for the work and seven civilian companies are being awarded contracts by the Army Engineer district. The firms are expected to engage other concerns to assist in the work.

Local Civil Defense authorities are responsible for posting permanent signs and planning the use of each shelter. They also are responsible for obtaining fallout shelter licenses or permits.

## Collection of Books Given To SIU Library

An unusual gift of books, some of which deal with the history of Illinois and Madison county, has been made to the library at the southwestern campus of Southern Illinois University.

The books were presented by Mrs. L. N. Maxfield of Godfrey. The collection has been assembled by the Maxson-Maxfield family over the past 100 years. A large part of the oldest book, "New Guide for Emigrants to the West," deals with Illinois, especially the Great American Bottoms.

One of the most noteworthy books in the collection has the lengthy title "A Memoir of Elijah P. Lovejoy, Who Was Murdered in Defense of the Liberty of the Press at Alton, Nov. 7, 1837."

## White Way System Proposed For E. 20th

A white way system along 20th street from Madison avenue to Edwardsville road, two street lights in the Nameoki area and eight streetlights in the newly-annexed area of North Granite were proposed by Granite City council members during Monday night's session.

The Alderman Estlin Von Schmitt requested the Light committee headed by Steve Basarich to study the possibility of a sodium vapor white way system, similar to Madison avenue, along newly-widened and resurfaced East 20th street, with fixtures to be located at intersections and the middle of each block.

Proposed street lights in the North Granite area are for Nameoki drive and 27th place, Circle drive and 27th place, Circle drive and 28th place, 723 Twenty-eighth place, Circle drive and 28th street, Circle drive and 29th place, 2936 Circle drive and Circle drive and 26th street.

In the Nameoki area, lights are proposed at Rivera drive and Madison court, 4020 Melrose avenue, and a light also is planned at 2572 East 27th street.

Illinois Power Co. advised the city by letter of four street lights requested in 1960 and 1961 at locations where property owners refused to permit power lines to go over their homes. The letter was referred to aldermen of Locusts listed were a—2134 houses involved.

Johnson road, requested in 1961, 2421 Illinois avenue, requested in 1961, and 1720 Cleveland blvd., and 2344 O'Hara avenue, both requested in 1960.

## Circulation At Main Library Nearly Doubles In 1961-62

Circulation of books and phonograph records at Granite City's main library nearly doubled during the 1961-62 fiscal year which ended May 1, a report by Librarian Mrs. Mary Gene Knufinke showed today.

Last year's circulation at the main building was 215,053 (including 4279 records) while in the 1960-61 fiscal year, the circulation was 110,104.

Total circulation for 1961-62 with 99,800 tallied for the bookmobile unit was 317,853, compared to 208,822 in 1960-61 when the bookmobile total was 98,718. A gain in the number of borrowers also was shown for the year—23,900, compared to 23,590 the previous year. Of the total, 78 were non-residents last year, an increase of 19. The fee for non-residents is \$3.

**Improvements At Library**  
In reporting the 109,031 increase in circulation through the library and bookmobile, Mrs. Knufinke pointed out the new student study room is virtually complete and is in operation, and more shelving was added in the main library, including a bookcase and 100 books on Girl Scoutling donated by the Girl Scout Council.

Also during the year, the library board purchased the former church property at 2000 Cleveland Blvd. for \$20,000 and added a catalog and reference librarian to the staff.

Total operating costs during the fiscal year totaled \$87,116 compared to \$83,161 the previous year. The library fund balance on May 1 was \$20,101; while on May 1, 1961, the balance was \$35,512.

The \$87,116 expenditures in the 1961-62 fiscal year included \$38,653 for salaries, \$4730 for janitor services, \$8765 for books, \$546 for periodicals, \$996 for binding, \$413 for recordings, \$502 for heat, \$509 for water and electricity, \$911 for insurance, \$889 for repairs and maintenance, \$1345 for furniture and fixtures, \$1265 for supplies, \$344 for telephone, \$178 for travel and \$20,000 for purchase of the church building.

**58,224 Volumes**  
The public library now has 58,224 books, including 10,412 in the bookmobile and 381 recordings. Materials added during the year were 3607 books, of which 1133 went to the bookmobile, 154 recordings, five periodicals and one newspaper.

Special activities during the year included an art show, eight sessions of a children's story hour attended by 1500 youngsters and tours of facilities by schools and Girl Scout groups.

Members of the library staff in addition to Mrs. Knufinke are: Sarah Schroeder, assistant librarian; Lucille E. Goeggett,

cataloger and reference librarian; Wella Mawley, children's librarian; Joyce Walters and Louise Hendricks, desk assistants; Mabelle Mimick, bookmobile librarian; Charles A. McCollum, bookmobile clerk-driver; and Charles Johnson, custodian.

Library board members are: Gerald Walters, president; W. F. Coolidge, Rev. J. P. Jordan, Mrs. Henry Landers, Alderwoman Mrs. Gabriel Betinec, George E. Filcott, Mrs. Amos Rode, Henry George and City Judge Fred P. Schuman.

## Plastic Garbage, Trash Containers Will Be Permitted

Complaints from householders with plastic trash and garbage containers resulted Monday night in Granite City council members amending an amendment to the city code pertaining to garbage and rubbish collection.

Alderman Frank Vespi proposed the amendment to permit plastic containers to continue in use when the private contractor takes over the operation of the city sanitation department about July 1 under a \$147,500 contract with the city.

The original amendment to the city code, submitted last week to the council, specified metal containers with handles and close-fitting lids. However, Vespi pointed out many persons in his ward are using plastic containers and would prefer to continue using them. He questioned the advisability of restricting the containers to metal.

City Atty. John Gitchoff replied he had merely written the code amendment from the existing code which had specified metal containers.

Several aldermen commented they are using old wash tubs without lids for trash containers, but the new ordinance will prohibit such practice. Containers with lids will be required since garbage and trash are to be placed in the same container. Garbage is to be wrapped in paper before being placed in the container.

Each household or business is permitted to have two containers, maximum size 30 gallons. The collection is to be made once a week in all areas of the city, with any extra pickups to be charged to the householder or business.

# 25 YEARS AGO

The following items were taken from the files of the Granite City Press-Record.

Hayward Niedringhaus, president of the Granite City Steel Co., this week inaugurated an advanced step in collective bargaining when he invited Granite City Lodge No. 11 to appoint a committee of four to confer with experts he has engaged to scale for a new method of rolling soon to be started at the plant.

Robert Chapman, chairman of the finance committee of the Granite City grade school board of education, informed the board members Tuesday night that there is quite a feeling among the public for a cut in the tax rate. He urged that a 10-cent reduction be made in this year's levy.

Miss Helen Patton, daughter of Mr. and Mrs. Michael Fabian, 1813 Poplar street, received a bachelor of arts degree at the University of Chicago and was awarded the Osborne scholarship medal as the highest-ranking student in the graduating class.

Miss Fabian, who was graduated from Commencement high school, was prominent in college activities, being president of the Women's Athletic Union, a member of Alpha Phi Omega, a national dramatic fraternity, and the college golf club, literary club and international relations club.

On Tuesday at the Granite City Rotary meeting, it was observed that Roy Massey had his hand in a bandage which developed it as completely as a glove. The reporter jokingly inquired, "Why the glove and Massey said he had burned the hand. The reporter was not satisfied to let it go at that and inquired how. Then Mr. Massey owned up that he had attempted to use a blow torch to thaw out a pipe that was frozen.

Ralph Johns left this morning for Decatur where the Young People's Democratic clubs will hold their convention tomorrow and the next day. He is chairman of the steering committee. There being 105 delegates from Madison county, which is the largest unit in the state, he will have plenty to do in making the arrangements. Madison county is backing Sam Keyes of Lincoln for president and the entire Horner slate.

Dr. Leo Coleman and family moved last week to their summer cottage on the Mexican border at Valley Park, Mo. On Sunday night, the temperature there was nice and cool, down to 51, Dr. Coleman reports. He has the cottage wired and electrically equipped, and it is nice and comfortable for the hot weather. He plans to build a permanent residence in Granite City.

Mr. and Mrs. Alvin Jones and their daughter, June, attended the graduation of the wife and son of their son and brother, Melvin.

## The FORUM

ENCOURAGE STUDENTS TO FINISH EDUCATION To the Editor:

I am very disturbed over the Forum letter from Unhappy Sister. Educators across our nation are lamenting the number of high school "drop-outs" each year. In most places, they are encouraging our young folks to complete their educations.

If our high school teachers and principals don't know "how to cope with 17-year-old boys," I wonder what is to be the future of our people. Our schools and even our nation, I think that by the time we get back to school and given an opportunity to graduate so he can go ahead with his plans for college in the fall.

As a parent, I hope that steps will be taken to correct this attitude in some of our teachers and principals.

From the Veterans of Foreign Wars Post 1300 and its Auxiliary of Granite City we wish to take this opportunity to thank you so much for your generous contribution of publicity about our Buddy Poppy Relief Fund Campaign.

It is greatly appreciated by every member of our post and every veteran and veterans' family which we help.

So again, we say thank you.

What is the most important part of a new tree establishment? The first is shade. There should be water, of course, and facilities for recreation for every body.

## Citizens' Committee Drainage-Pollution

### Proposal Will Be Decided At The Polls

There will be an election on the proposed \$10 million drainage-pollution program developed by the Citizens' Sewer and Drainage Committee over the past three years, the comprehensive project has been made possible by a federal grant of \$120,000 obtained for the city by the state.

The Press-Record opposed the election for two reasons: (1) the delay it would cause, particularly since drainage-pollution relief is years overdue, and (2) the cost of an election when the city already is having difficulty living within its income.

But the election petitions have been filed, and the immediate task now of every citizen who has any real concern at all for his family's health, economic and social welfare, will be to approve the Citizens' Committee's proposal at the polls.

This also will be an opportunity for the aldermen who, though in favor of the drainage-pollution program, circulated petitions for an election in the belief the public should have a chance to vote on it. These aldermen now are free to embark on an all-out campaign among their constituents in support of the project.

Only through the Citizens' Committee plan can Granite City taxpayers get comprehensive drainage and pollution relief at the lowest possible cost; and through this plan will Granite City have full control over what is done and how the money is spent; only through this plan can \$1,700,000 be saved in the construction of a pollution treatment plant; only through this plan can the city be eligible for up to \$20 million in federal urban renewal aid to undertake other city improvements.

If the city does not control its own destiny by proceeding with the overall Citizens' Committee program, it will be only a matter of months before the Illinois Sanitary Water Board forces either Granite City or the East Side Levee and Sanitary District to build a pollution treatment plant. If this happens, the plant will cost \$2,900,000 instead of \$1,200,000, and the monthly charge for the treatment works will be higher for everyone.

Already, the Illinois Sanitary Water Board has halted all new construction requiring extensions to existing sewers, thus depriving the city of new taxable property, residential and industrial, as well as hundreds of jobs. This is a heavy penalty to pay. The city of Granite City is at the crossroads: it is an incontestable fact. Every citizen, every organization should rise to meet the challenge. Elections are seldom "won" by the opposition; they are almost invariably "lost." It is the duty of the good people of a community who fail to go to the polls.

Will this happen in Granite City?

## Expert On Indian Lore Speaks To Rotary Club

Nathaniel Davis, a recognized authority on Indian lore, was the guest speaker Tuesday at the noon luncheon meeting of the Granite City Rotary club.

He has spent the past 38 years studying Indian lore in the best collection of Indian relics in this part of the country.

Through his study of Indians has taken him to all parts of the United States. Davis said he collected more in the immediate area than in all other places combined.

He said that while Indians do not like to see white men performing their ritual dances, they have a right to do so and can prove it. He was adopted into the Ottawa tribe and given the rank of chief. He has a document signed by the chiefs of the tribe that he has the right to perform the tribe's secret rituals.

Davis, a local steel mill worker, displayed a ceremonial pipe being made by the Ottawa tribe. It, he said, is the kind that would be used to open important meetings.

## Nameki Relief Cases

### Unchanged In May

Relief cases in Nameki township remained at 43 during May although there was a drop in the number of individuals involved and an increase in costs. It was reported this week at the office of Supervisor Briggs.

With 111 persons receiving relief assistance last month, the costs amounted to \$5107, com-

pared to 124 persons in 43 cases and costs of \$4288 in April. May 1961, there were 66 cases with 337 persons and costs of \$10,285.

Total relief costs for the first three months of the current fiscal year amount to \$34,308, while in the three-month period of 1961, relief costs totaled \$18,228.

## Progress Reported On Nameki Sewer Plan

Nameki town board members met in a brief session Tuesday evening at the town hall on State Route 162 and heard reports from Supervisor Briggs.

In addition to reporting on county zoning hearing Tuesday, Briggs told the board of auditors that the town hall on State Route 162 and heard reports from Supervisor Briggs.

The application, when completed, will be submitted to the Chicago office of the Federal Housing and Home Finance Administration for approval. The town board has been conferring with officials of the East Side Levee and Sanitary District.

In the program, and Briggs said several subdivider also have expressed interest in the project. However, Supervisor Briggs said there should be no delay in the project.

## JOBLESS YOUTH—SOCIAL AND ECONOMIC CRISIS

The social and economic crisis engendered by unemployment among the young is the subject of a conference being held in Chicago this week. Attending are representatives of government, labor, management, education and community agencies.

The purpose: To develop a program of coordination of private and public agencies to encourage the employment of youth.

Participating with me in this conference are business executives and state and federal authorities in education and labor. In addition to the subjects covered by the speakers, workshop panels are discussing topics such as Youth in Rural Areas, Disadvantaged Youth in Urban Areas, Gearing Education and Training to Tomorrow's Labor Market.

Coordination of Public and Private Efforts to Encourage Hiring of Youth, and Education and Employment for the Slow Learner.

The present-known numbers of unemployed youth and the increasing number of young people who will enter the labor force are cause for alarm.

This is a matter for grave concern, and the need for formative steps to meet this problem is increasingly apparent.

We know, for instance, that the current population figures indicate a possible 75% increase in the number of 16-year-olds in Illinois by 1975. By 1970, the increase of those between 18 and 24 years of age will be about 31%.

While these projections are for some years in the future, we are confronting a 42% increase in the number of 16-year-olds in 1963 and 1964.

The age of 16 represents the critical year for many school drop-outs and, if we are even to hold the line on our present drop-out rate in Illinois—now averaging 40%, and in some areas of Chicago as high as 70%—we begin to comprehend the job ahead.

The urgency of this situation makes it imperative that the recommendations of this conference be more than mere thoughts to be discarded soon after birth.

Unless this conference produces a plan which, when formulated into action, begins and continues to make inroads into this social evil, we will be experiencing a cancerous situation beyond all hope of cure.

The type of cancerous situation represents a significant opportunity to make new beginnings; an occasion to analyze our existing problems; to take stock of what has been done; and, guided by past successes and failures, to plot out programs to do the job that desperately needs doing.

### CAUSE, ENLARGEMENT, TREATMENT OR HERNIAS

When some portion of the abdominal contents protrude through a weak place in the abdominal wall, a hernia, or rupture, develops.

Hernias also occur in the chest and may be mild or serious.

Many factors are involved in the development of hernias. Primarily associated with a weak spot in the musculature of the body, particularly the mid-section, a protrusion may be marked with pain following undue exertion. This is true of workers and athletes.

Sometimes, hernias occur in old scars of surgical operations. Hernias may be reducible or incarcerated. They are reducible when the bulging mass slips back into the abdominal cavity, either when the patient lies down or after mild pressure.

Trusses for Mild Cases. They are incarcerated when the protrusion cannot be reduced, due to adhesions or scars between the sac and its contents, by hardening and narrowing of the neck of the sac due to the wearing of trusses, or by the twisting of

blood vessels supplying the trapped hernia contents.

Trusses are valuable in the treatment of small ruptures, since they prevent bulging of the abdominal wall and relieve the strain on the weakened area.

It is well to remember, however, that a hernia is more apt to increase in size, rather than decrease in size or heal.

As a hernia continues to enlarge, the opening is enlarged and eventually, if uncontrolled, the mass will fill the opening. When this happens, the walls of the opening may create a pressure on the tissues inside that may result in the serious complications previously mentioned.

Surgery. Hernia usually are characterized by abdominal pain, nausea or vomiting. This type of hernia demands immediate surgical attention.

Surgery is the most effective treatment in hernia. Recurrences following surgery have been reported and may occur in persons of excess weight, or due to failure of the tissues to heal, as in a dietary deficiency.

After proper surgical repair, most people can resume their former occupations.

### Eta Chapter Elects Officers

The Eta Chapter of the Phi Tau Omega Sorority named Mrs. Georgia Waggoner as president during the annual election of officers, held Monday evening at the Elks Club.

Others who will assume leadership of the chapter for 1962-1963 are Mrs. Dolores Selbert, vice president; Mrs. Peggy Burch, recording secretary; Mrs. Ethel Zimmer, social secretary; Mrs. Laura Boyd, treasurer; Mrs. Millie Greathouse, associate scribe; Mrs. Ellen Lakatos, historian; and Miss Eunice Hatcher, sergeant-at-arms.

Mrs. Laverda Knobbe, current president, conducted the business session. There were reports on previous actions given by Mrs. Selbert and a financial paper read by Miss Kate Weddell. The proposed agenda was discussed for the 1962 National sorority's convention, to take place in Miami, Fla., later this month, when new officers will be chosen and amendments to the constitution voted.

Delegates planning to attend the convention from Eta Chapter include Miss Mary Hassler, who has been nominated for National treasurer; Miss Weddell, Miss Martha Ruth Thomas and Miss Hilda Schroeder as alternates.

The remainder of the evening was spent socially with games played and prizes awarded to Mrs. Gina Thomas and Miss Hatcher.

Others attending were Mrs. Ann Tatum, Miss Dolores Sheridan, Miss Dolores Crawford, Ella Mae Gabriel, Miss Martha Ruth Thomas, Mrs. Mary Evelyn Yench, Mrs. Violet Bender, Mrs. Jimmie Hillmer and Mrs. Charlene Voss.

### King's Daughters Class Meeting

The King's Daughters Class of Third Baptist Church held its June meeting Monday evening in the home of Miss Brenda Hacke, 2328 Benton street.

Mrs. Robert Fitzgerald, class teacher, opened the meeting with a devotional topic—"Life At Its Best," taken from Psalm 86. A brief business session was conducted by Miss Carolyn Edwards, vice-president, and made for the monthly class project.

For June, the group agreed to assist in the annual vacation Bible school which is scheduled to begin at the church Monday, June 11, and continue through June 22.

The remainder of the time was spent socially with games and prizes won by the hostess and Miss Marilyn Greenlee.

The next regular meeting will be held July 2 in the home of Miss Edwards, 2529 Edwards street.

**CWF INSTALLATION**  
The Christian Women's Fellowship of Central Christian Church will hold its annual installation of officers this evening at 7:30 in the church building. The installing ceremonies will be combined with the regular June meeting of the women's group.

**YA CLASS TO MEET**  
The Young Adults Class of Central Christian Church will hold its previously postponed meeting Saturday evening at 6:30 p.m., in the church hall. President Joe Hanson urges all members to attend as unusual entertainment has been planned for the evening's program.

MRS. JOHN SZILVASY, the former Miss Linda Suelen Markuly, daughter of Mr. and Mrs. Paolo Markuly of Belleville, whose wedding took place last night at Eden Theological Seminary, Webster Groves, Mo.

### Szilvasy-Markuly Nuptials Wednesday, Eden Seminary

Miss Linda Suelen Markuly, a daughter of Mr. and Mrs. Paolo Markuly, 5609 Bonita blvd., Belleville, former Granite City, and John Andrew Szilvasy, whose parents are Mr. and Mrs. Gabor Szilvasy of East Chicago, Ind., were married last night in the chapel at Eden Theological Seminary in Webster Groves, Mo., where the bridegroom is studying for the ministry.

Rev. Walter H. Krebs, associate professor of music at the Seminary, presided at the organ. The soloist was John B. Nourse of Sheboygan, Wis., a classmate of the bridegroom. The latter sang "My Betrothed" (Tedesco) and "O Lord of Love To Thee We Bow" by Lovelace.

The double-ring ceremony was performed at 7:30 o'clock by Dr. Allen O. Miller.

Given in marriage by her father, the bride wore a full-length sheath model of petal pink mist taffeta designed with a circle neckline, brief sleeves and a softly draped effect at the waistline. The back featured a full fan-shaped panel organically flowing from the waistline and sweeping into a demit train. A four-tiered veil was topped by a full-blown organza rose and the bridal bouquet was made up of delicate pink sweetheart roses arranged in a cascade spray.

Miss Nancy Ordelheide of St. Charles, maid of honor, and Miss Ann Bettelheim McNeer of Long Island, N. Y., both classmates of the former Miss Markuly at Lindenwood College, were dressed alike in silk linen sheaths of pink azalea made with scoop necklines and tunic overskirts. Their flowers were roses in medium shade of pink and in their hair they wore organza roses on softly draped bows.

Gabriel Szilvasy was best man for his brother, and William P. RETURN FROM VACATION  
Mr. and Mrs. A. J. Mueller Jr., 3903 Highway 111, returned home Tuesday afternoon, after a month's vacation in Colorado. While away, they visited friends in Denver and were house guests of their son-in-law and daughter, Dr. and Mrs. W. E. Simon of Cedarville, Colo.

### Legion 113 Auxiliary Honors Mr. And Mrs. Breckenridge

Mr. and Mrs. Chester W. Breckenridge, 5020 Lakewood drive, who will observe their 50th wedding anniversary on June 18, were honored with a dinner party July evening given by the Past Presidents Club of the American Legion Auxiliary, Post 113.

### Show Honors Miss Travis, Bride-To-Be

Miss Virgie Travis, a mid-summer bride-to-be was complimented with a personal shower Monday evening, given in the basement of the Second Baptist Church, 2100 Illinois avenue, with Mrs. Judy Lupardus and Mrs. Dean Burcham as the co-hostesses.

Orchid and white were used extensively in the attractive decorations, with glowing white wedding bells suspended from the ceiling, each one topped with a fragile butterfly in shades of pale orchid. Many gifts were presented on a gift table canopied by a large paper mache umbrella which trailed orchid and white streamers to the table top. The buffet serving table, appointed in the same color motif, was centered with a traditional wedding cake, while tiny "ring box" favors fashioned from marshmallows and candies were placed for each guest.

After the packages were opened, games were played with prizes awarded to Miss Kay Bevil, Miss Betty Hoffman, Miss Mildred Dacus and Miss Sandra Brown.

Others honoring Miss Travis were Mrs. Thomas Burcham, Mrs. Archie Lupardus, Miss Betty Grove, Mrs. William Finn, Mrs. Herb Morelock, Miss Jean Buckingham, Mrs. Virgil Travis, Miss Edie Brewer, Miss Wanda Lupardus, Miss Carolyn Tindall and Miss Jolene Travis.

The bride-elect, a daughter of Mr. and Mrs. Virgil Travis, 2145 Madison avenue, will be married to Thomas Finn at the Second Baptist Church on July 7.

## City Oks Yield And Stop Signs But Not 20MPH Zone

Yield and stop signs were approved by Granite City council members, who balked Monday night at setting a 20-mile-an-hour speed limit on Johnson road near St. Elizabeth's school and church.

The speed limit ordinance was placed on first reading after Alderman Walter Norn challenged the legality of setting the speed limit under the 30 mph designated by the state.

However, Alderman Frank Vesce and Ford Johnson reminded the council of a 15-mph zone on Johnson road at Frohardt school where the city posted signs several years ago.

Alderman Estill Von Schmitt also protested the lowered speed limit, saying it would give youngsters a false sense of security, especially since the city would be unable to station a police officer there to enforce the limit.

City Atty. John Gitchoff said he saw no legal problems in posting the 20 mph zone, and Alderman Johnson added the signs should slow motorists along the stretch of Johnson road between Ponton road and Del Rio drive, where a large number of school youngsters cross. He said the lower limit would be necessary only during the time school is in operation.

The yield right-of-way signs are to be placed on Lynch and Waterman avenues at their intersections with Maryville road.

while stop signs under consideration and approved for preparation of an ordinance are to be located on Pershing avenue at Marshall avenue, on Marshall at Palmer avenue, on Garden drive at Victory drive and on the east-bound lane of 24th street parkway at Benton street.

The yield right-of-way ordinance specifies fines of \$3 to \$200 for violation.

23rd St. Change Dropped  
No action was taken on a request for 23rd street stop signs to be removed west of Madison avenue to provide a thoroughfare for cross-town runs by fire-fighting equipment from the main station.

The request was submitted last week by Alderman Donald Parney, who said it had been recommended by the fire truck drivers. Fire Chief Elijah King stated nearby, said he knew nothing of the request.

Objections to revision of the stop signs were voiced by Aldermen Samuel Whitmer and Edmund Bartosiak, who said the present arrangement with vehicles on 23rd street stopping at Grand avenue, State street, Benton street and Adams street, was adequate. They pointed out fire trucks on emergency calls go through red traffic signals, anyway.

### Progress Reported In Contract Talks

Progress was reported this week in contract negotiations between Teamsters & Chauffeurs' Local 525 and local furniture store operators and soft drink bottlers. The old contracts for both groups of drivers expired May 1.

The union represents about 45 drivers employed by three local bottling firms: J. C. Rant Bottling Co., Wagner Seven-Up Bottling Co. and Gusheliff Distributing Co., and is seeking a two-year contract. Included in the negotiations are drivers in Alton for the Wagner firm.

About 12 local furniture store truck drivers are represented by the local, which this year is endeavoring to secure for the first time a coordinated contract to include furniture store drivers in the Quad-Cities. Alton, Wood River and Edwardsville on a month basis.

## This is an ad for people who have never owned a convertible.

"They're not very watertight."  
"They're cold in the winter."  
"You have all those ugly-looking struts and crossbars inside."  
"The back window always looks a mess."  
As a Volkswagen dealer, we hear these and other comments about convertibles over and over again. And while we know that some of them aren't true for some convertibles, and some are true for others, we also know this: not one of the above comments makes sense when you talk about our Volkswagen Convertible.

Here's why:  
For one thing, the top of the VW Convertible overlaps the windshield frame. (Unlike conventional convertible tops that just meet the windshield.) This means the Volkswagen Convertible stays as watertight and weatherproof as a sedan. Rain and wind and cold stay out.

Then too, the inside of the VW Convertible top is as smooth and good-looking as that of a sedan. Because it's padded and completely lined. You never see struts or crossbars inside the VW Convertible.

And the padding is functional too: serves as a heat and sound insulator. (Most people are amazed to find the VW Convertible as warm—if not warmer—in winter than our sedan. It's all that extra padding they put in that does the trick.)

The top of the VW Convertible is like a sedan in another way.

Like the back window in a sedan, the rear window in the VW Convertible is made of glass. Unlike plastic rear windows in conventional convertibles, it doesn't scratch, discolor or cloud-up.

We almost forgot to mention that the top is made in an old-fashioned custom way. Individually. Meticulously. Thoroughly. By hand. Every top is cut out by hand, padded by hand, stitched by hand, precisely fitted to the car by hand.

This convertible is unconventional in other ways. For example, it's as watertight on the bottom as it is on top.

If you could look underneath the VW Convertible you'd see the body has a flat, smooth bottom. It's actually enclosed with a one-piece steel plate and sealed with rubber. No exposed wires and cables to trip water.

Your VW Convertible will slash through rain, zip through snow and ice and mud, and all its parts will stay protected.

The VW Convertible costs just \$2193 complete, delivered in Alton.

(By complete we mean you get a built-in heater and defroster, a windshield washer, electric windshield wipers, padded sun visors, front passenger grab handle, spare tire, jack and tool kit.) If you've never owned a convertible, don't let this ad convince you.

Take a drive in our open-air VW. It's a converting experience.

## Area Study Committee To Hear Planning Head

The steering committee of the Southwestern Illinois Area Study commission will meet tonight at the Town House in Belleville, according to State Rep. Paul Simon (D-Troy), commission chairman.

Paul Opperman head of the Northeastern Illinois Metropolitan Planning commission, of the Chicago area, has agreed to attend. It is expected that he will tell of his experiences and how they relate to this area.

There will also be discussion as to what subcommittees should be appointed and who should serve on them, Simon said.

The commission held its first meeting May 8 at the Granite City YMCA. Included in the membership are state legislators, residents of Madison and St. Clair Counties, officials of Southern Illinois University and the Southwest Conference of Mayors.

Among the problems the commission expects to undertake are water, water conservation, future growth, sewers, schools and zoning. The state legislature established the commission with a bill introduced by Rep. Simon.

Officers and directors for the coming year will be elected Monday by the Madison County Tuberculosis Association at its annual meeting.

Dr. C. Wayne Moulton of the Weber Medical clinic, Olney will be guest speaker. The event will take place at the Lewis & Clark restaurant, East Alton.

Dr. Moulton's talk is entitled "The Use of Hypnosis in Medicine." He will draw from his personal experiences in the use of hypnosis and demonstrate hypnotic induction of a subject, with the assistance of Mrs. Clara Willis, R.N.

Reservations for the dinner may be made at the association's office at Edwardsville by calling 656-0262 no later than Friday.

Area men whose three-year terms as directors are expiring are Orville Brunjes of Chouteau township, and G. W. Hoelscher, Dr. A. H. Rode and Dr. E. H. Thels of Nameoki township.

## 82 Traffic Accidents With 2 Deaths In GC Last Month

Granite City's first traffic fatalities of the year occurred last month when two youths died as a result of an early morning crash in which their auto struck a service station building on Edwardsville road.

It was one of 82 accidents during the month in which 20 persons were injured. In May 1961, there were 68 accidents with 15 injuries and one fatality in the city.

Five-month accident statistics for Granite City this year show totals of 433 accidents

with three fatalities and 146 injuries in the same five-month period of 1961.

Police had predicted 79 accidents would occur in the city in May. They had predicted the same number for April when there were 84 accidents with 31 injuries.

A breakdown of the accidents, injuries and traffic deaths, in that order, follows:

January—123, 26 and none; February—58, 19 and none; March—86, 28 and none; April—84, 31 and none, and May—82, 20 and 2.

## State Capitol NEWS

Judging in textile and culinary departments of the 1962 Illinois State Fair will be staged both in the amateur and professional areas for the first time in the history of the fair. The innovation in the "Women's World" section of the Illinois Building display offers new women titleholders a brief reign as "Queen of the Hour." This recognition is merited by any woman who wins top honors in any department of the Illinois State Fair.

The 1962 Illinois State Fair will open Friday, Aug. 10, and continue through Sunday, Aug. 13.

Gov. Otto Kerner last week formally approved the Army Corps of Engineers recommendations for the construction of Rend Lake.

The multi-purpose reservoir would be built by damming the Big Muddy River near Benton, in Franklin county. The final estimates of the engineers set the cost of construction of the project at \$35 million, of which \$27 million would be federal funds.

The engineer's report cited six primary objectives which it considered in "developing the best plan of improvement" for Rend Lake. These are: (1) Flood control in the Big Muddy Valley below the dam; (2) Provide an assured source of domestic and industrial water supply for towns and communities in the basin; (3) Increase low water flows in the Big Muddy River in the interest of pollution abatement; (4) Use of the stored waters in the reservoir for conservation of fish and wild life; (5) Recreation; (6) Long-range redevelopment "to alleviate depressed economy" of the region.

Grown-ups must obtain a state license prior to operating a migrant labor camp. Dr. Franklin Yoder, director of the Illinois Department of Public Health, said last week.

Many have not applied for a license and the time is growing short for those who wish to avoid an economic loss in season crops, Dr. Yoder warned.

The new Illinois Migrant Labor Camp law affects about 500 migrant labor camps in the state and applies to any person hiring six or more seasonal or temporary migrant workers who have living quarters of any kind on the premises. The camp must be licensed under the state law before the state Department of Labor will honor any request for migrant workers.

This year's basic requirements—safe drinking water supply and proper sewage disposal facilities—constitute the beginning of a progressive program of im-

improvement in labor camp condition. Applications for a license to operate or maintain a migrant labor camp must be made upon forms furnished by the Department of Public Health's Division of Sanitary Engineering.

Illinois has harvested 57,000 acres of white corn for grain in 1961—only 0.7% of the total grain corn acreage, according to a report from the Illinois Cooperative Crop Reporting Service.

This represents a modest increase over the 0.5% reported in 1956, but is down sharply compared with the record for the early 1940s when white varieties accounted for four to eight percent of all corn.

Dr. John C. Frye, chief of the Illinois State Geological Survey, said in a report to the State Board of Natural Resources and Conservation that Illinois possesses, or has access to, most of the mineral necessary to meet the requirement of its citizens for centuries.

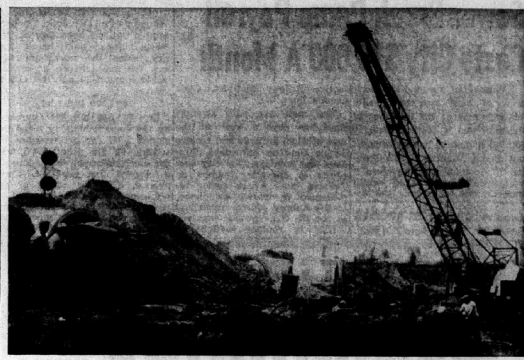

"The state possesses tremendous reserves of energy fuels to provide heat and power," Dr. Frye said. "The vast quantities of coal lying in thick easily-mined beds provide fuel at a cost that can be matched by few regions throughout the world," he said.

Machinery Hall on the Illinois State Fairgrounds once again is going to be used for the purpose for which it originally was built. Renamed Farmarama Hall, the building will be the center of the 1962 Illinois State Fair's farm implement display section, Franklin Rust, manager of the fair, has announced.

During recent state fairs the structure has been known as the Poultry Building. Poultry exhibits will be housed in a new building north of Farmarama Hall, Rust said.

## Sewer Break Pump Payroll Costs City \$10,000 A Month

Salaries for a round-the-clock crew of nine men to operate sewer pumps at the locations of three breaks is costing the city \$10,000 a month, it was brought out during Monday night's Granite City council meeting when it was urged that bids be sought immediately to replace the defective Aubrey and St. Clair avenue lines.

The men are paid straight time five days a week at the rate of \$3.40 an hour and receive double time on Saturdays, Sundays and holidays. The city currently is operating pumps on Terrace line, where sewer replacement is virtually completed, at the Aubrey avenue break and at the St. Clair avenue breaks. Bids to replace sections of

the Aubrey and St. Clair avenue trunk lines are to be sought. Comptroller John Dooley pointed out the operation of the three pumps could break the city, since the maximum tax levy for maintenance of sewers would amount to only \$90,000 a year.

**\$11,500 Bill List**

The \$11,500 bill list approved by the council Monday night included \$387 for maintenance of sewers. Of the total, \$300 was for emergency power rodding of a clogged line near St. Clair avenue, \$100 for rental of an air compressor, \$49 for rental of portable toilets for the pump operators, \$51 for emergency electrical service at the St. Clair

avenue lift station, \$73 for grass seed, \$7 for spark plugs and \$6 for electrical power for the Aubrey avenue pump.

In addition to the \$11,500 bill list, the city approved the half-month payroll for the first half of June in the amount of \$42,803.

Among the items on the bill list were \$125 monthly rental paid to East St. Louis & Interurban Water Co. for 342 fire hydrants; \$1655 paid to Illinois Power Co. for street lighting; \$2592 paid to the Illinois Municipal Retirement Fund for employee retirement.

**\$189 For Weed Cutting**

Weed cutting on 67 1/2 lots cost the city \$189, paid to Leo Kaminski; 97 meals for city jail

prisoners cost \$72, paid to Grand Cafe; 2500 pink bricks for the new dog pound cost \$155, paid to Richards Brick Co., Edwardsville; and for the mayor's office, two "fine arts table lamps cost \$54, while framed picture, myrtle walnut table, myrtle credenza, imperial desk pad and walnut floor mat cost \$349.

Expense allowances on the bill list were \$195 for Mayor Davis, \$30 for Alderman Edmond Bartosik, and \$30 for Alderwoman Mrs. Gabrielle Betine.

**Wins Essay Contest On 'America Is Beautiful'**

Linda Christine Schmidt, 4285 East Lake drive, a sixth grade pupil at Stallions school, has been named as the winner of an "America Is Beautiful" essay contest sponsored by a St. Louis radio station, resulting in receipt of a transistor radio, recording and congratulatory letter.

Copies of a recording of "America the Beautiful" have been given to her classmates, her teacher, Michael Mullen, and Principal Edward Blazek. Her entry was one of thousands judged.

The daughter of Mr. and Mrs. Fred Schmidt, she has had a

30TH NORAD REGION (area inside heavy outline) and two of the weapons assigned to defend it from air attack, the Nike missile and the manned F-101 Voodoo interceptors.

## 30th NORAD Region Aim: Protection From The Air For 52 Million People In Midwest

In the endless watch of the North American Air Defense Command (NORAD) to guard the continent against aerospace attack, guidance for defending America's midwest industrial heartland comes from 30th NORAD Region headquarters at Trux Field, Wis.

Some 52 million people in the heart of the United States depend on the 30th Region for aerospace defense. Regional boundaries run roughly north to Hudson Bay, south to Little Rock, east to Erie and west to Minneapolis.

All or parts of 16 states, including more than a half-million square miles in the United States and a large part of Southern Canada, are involved in this complex.

The command provides aerospace defense for numerous industrial and population centers like the Quad-Cities, Chicago, St. Louis, Milwaukee, Detroit, Cleveland, Minneapolis, Duluth, Indianapolis, Cincinnati, Columbus, Little Rock, Nashville and Memphis.

Air Force Maj. Gen. Donald R. Hutchinson directs aerospace defenses for this large area from his command post at Trux Field. Also at this nerve center of midwest defense is his vice commander, Air Commodore

Maurice Lipton of the Royal Canadian Air Force, spotlighting the international nature of the continental defense.

**Various Contributors**  
Air Force, Army and RCAF units as well as Army and Air National Guard elements make significant contributions to Gen. Hutchinson's aerospace defense force.

The weapons which stand alert to sweep hostile bombers from midwestern skies are the manned interceptors of the Air Force and Air National Guard, the Air Force BOMARC B guided missile and the Army's Nike missiles.

To manage this wide-scale job of defense, the 30th NORAD region is subdivided into four sectors, each named for a principal city within its bounds.

There are called the Chicago, Detroit, Duluth and Sault Ste. Marie NORAD sectors. The nerve center for monitoring the aerospace situation in each of these sectors is the sector direction center. Defense specialists work at these centers 24 hours a day to maintain mastery of the skies which they protect.

Key to the speedy work of aerospace defense in the 30th NORAD region and each of its sectors is the Semi-Automatic Ground Environment (SAGE) system.

Through this system, air defense data like the speed, altitude and direction of aircraft flow automatically from radar squadrons to the direction center.

Here, high speed computers compare actual flights with flight plans, thus making it possible to spot an "unknown" quickly. If necessary, the direction center can scramble supersonic jets to intercept and identify the unknown.

**Belleville Warning Unit**  
The 78th Aircraft Control and Warning Squadron at Scott Air Force Base, Belleville, commanded by Lt. Col. Thomas W. Blackburn Jr., is one of a number of radar units that send returns to the direction center of the Chicago NORAD sector at Trux Field.

Knowing their work is indispensable in the defense program of the 30th Region, Col. Blackburn's team of specialists works around the clock to "keep the 78th on the air."

Radar returns going from the 78th and other squadrons of the Chicago NORAD sector to the direction center enable the sector commander, Brig. Gen. Kenneth H. Gibson, and his battle staff to decide on what action to take in case of unknown aircraft.

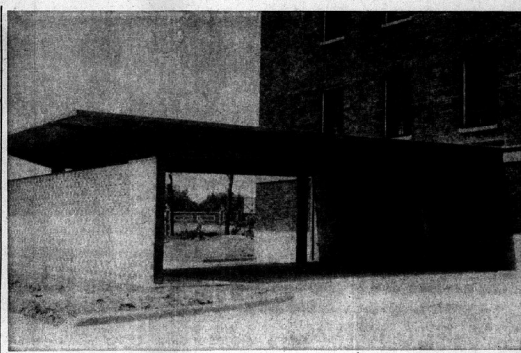

To carry out its defense mission, the Chicago sector battle staff may use a variety of manned and unmanned weapons. These include the accurate and nuclear-capable Nike missiles of the Army which surround such key cities as St. Louis, Chicago and Milwaukee, and the supersonic F-102A and F-106 interceptors of the Air Force.

Men and weapons of the 30th NORAD region constantly take part in continent-wide exercises to perfect the roles they would play in the event of emergency.

NORAD officials regard this preparation as the highest example of teamwork among the Air Force, Army, RCAF and the Army and Air National Guard.

**Charge Both Drivers**  
Arrest tickets were issued to both drivers involved in an accident Wednesday at Jill and Carlson avenues. Dorothy L. Rogers, 39, of 3272 Franklin avenue, was charged for failure to yield right-of-way to a motorcycle driven by Morris J. Brown Jr., 17, of 65 Riviera drive. Brown was charged with careless driving. Police said he was speeding as his skid marks extended about 60 feet.

**Perfect Attendance**  
Congratulations were extended to Thomas Alan Delaioye, Central Junior high school eighth grade graduate on Tuesday afternoon during Assembly at the school in recognition of his unblemished record of attendance, both at Central and while attending Webster elementary school. Thomas, 13-year-old son

**SIU To Hold Workshop For English Teachers**

Practical methods of presenting the language arts will be the theme of a dual workshop for English teachers to be held in Alton this summer by Southern Illinois University.

Co-sponsored by the Humanities Division of the university and the National Council of Teachers of English, the workshop will begin June 18 and continue through June 26, according to Dr. Nicholas Joist, humanities head. Enrollees in a workshop in high school English and a workshop in junior high school English will attend joint lectures by specialists in language composition, literature, and library materials. Joist said. These specialists will include faculty members from both the Carbondale and Southern campuses of SIU, as well as consultants from other schools and universities. Meeting from 1:30 p.m. until 4 p.m. Mondays through Thursdays, each workshop will include four hours of college credit on the senior class level.

Targets sets for the dual workshop, according to Professor Joist, include a discussion of each registrant's specific problems with regard to integrated programs for teaching language, composition, and literature in his own school; an examination and evaluation of better methods of teaching these integrated programs; the use of state and community resources for enriching the teaching of English; and pointing up the correlation between junior high, senior high, and college English courses. Sponsors of the workshop, the SIU professor said, are concerned with the student's permanent interest in good reading, good writing, and the language itself.

Leaders of the workshop will be Dr. Marion Taylor and Miss Gladys R. Steinman, both English teachers at SIU's Southwestern Campus. Dr. Taylor, who received her doctorate from the University of Iowa, is author of a number of published books, plays, and short stories. Miss Steinman received her master of

**GC Parking Collections Reach High For 1962**

Parking meter collections and parking fines in Granite City amounted to a record figure for the year last month, according to figures released today by the comptroller's office.

May parking meter collections totaled \$3960. The April figure of \$3120 was the previous high for the year. Fines totaled \$234, the second highest figure for

the year. February fines were higher, amounting to \$305. Meters were in operation 26 days in May, making the average take for the city \$161 a day, including fines. Collections and fines for the first five months of the year total \$16,520. For the same period 10 years ago the figure was \$19,090.

**Area Exposition Group Plans Meeting June 20**

Members of a 15-person Southwest Illinois Commission are studying the feasibility of a Southwest Exposition Authority, State Rep. Ralph T. Smith (R) of Alton, announced today.

The 15 members have received copies of a preliminary feasibility study for such an exposition authority. Smith said, and will meet at Southern Illinois University in Edwardsville on June 20, at 10 a.m. to discuss it.

Charged to report their findings and recommendations for legislation to the 73rd General Assembly by April 15, 1963, the commission members will investigate the further desirability of constructing exposition buildings and facilities.

Purpose of the exposition authority, according to Smith who introduced the legislation, would be to provide industrial, cultural, educational, trade, and scientific exhibitions and other public presentations in Southwestern Illinois.

Members of the commission to study the feasibility of the exposition authority held their organizational meeting last March 15 at SIU in Edwardsville.

Technical assistance was offered the commission by SIU and the commission subsequently asked for help in surveying existing facilities in the Bi-County Area capable of accommodating the types of public meetings for which exposition facilities might be created. Assistance was also requested by the commission in contacting industrial labor, farm and other groups to determine their interest in such a facility and the extent to which they might make use of it if established, and in surveying McCormick Place in Chicago to determine its financing, construction, facilities, and the extent of its use by the public.

Members of the commission are: Wilford Fournie, Belleville; Sen. Dwight T. Friedrich (R) of Centralia; Sen. John G. Gilbert, secretary, (R) of Carbondale; Sen. James W. Gray (D) of Belleville; Rep. Lloyd Harris (D) of Granite City; Mrs. Nina Henkhaus, Bethalto; Donald W. McLean sr., Edwardsville; Rep. Otis L. Miller Jr. (R) of Belleville; Edw. L. Parker, New Athens; Sen. James O. Monroe (D) of Collinsville; Sen. Lillian E. Schlagenhauf (R) of Quincy; Smith, chairman; Melville Stonecipher, Belleville; Rep. Dan Teeley (D) of Mt. Sterling; and Rep. Stuart J. Traynor (D) of Taylorville.

## Maryville Files Protest

# Last Week's I-C Opponents Switch Diamonds, Meet Again This Sunday

Last Sunday's inter-city baseball league opponents will switch diamonds Sunday, and meet again as the week begins its eighth week of play. East St. Louis teams currently holding down top spots in each division.

Mercer Funeral Home of Granite City regained a tie for second place in the Blue division by topping Pocahontas at Wilson Park, and can break the tie with the Braves this Sunday. Both are 4-2 and trail McAfee Glass by just one game.

In the Red division, Sacred Heart slipped a game last Sunday but still held second place behind Moose Lodge of East St. Louis, whose undefeated status is now somewhat of a question following the filing of a protest by the Maryville ballclub.

The Hearts were beaten by Maryville, and will get an early opportunity for revenge here Sunday in a 2:30 p.m. game at Wilson Park.

**Intelligible Player?**  
The Maryville protest, filed with league President Vernon Lucas by Red Sox Manager Don Lucas, contends that the Moome-men used an intelligible player when they beat Maryville 5-1 on

May 20. Lucas says the player in question had not been under contract long enough to be eligible for the contest.

Setting of the matter could be delayed until June 29, Lucas said. That is the date of a regular league representative meeting in Granite City with Mercer as host club. The regular order of business calls for selection of players for the annual all-star game.

The protest could be ruled on at that date by the I-C board of arbitration, which, Lucas said, has no earlier meeting planned. Meanwhile, Moose continues to carry a 7-0 record and Maryville a 2-4 mark.

**Two Seek First Wins**  
In other more pressing business Sunday, the Moose will attempt to apply more grease to the skids under a Troy ballclub which has not won in six starts this spring. Glen Guthrie's club will have a home field advantage at Jones Park in East St. Louis.

Carpenter, at 3-3 very much in the Blue loop race at this point, is scheduled against the winless Roxana Merchants, who have dropped seven straight.

And McAfee Glass, with both

Mercer and Pocahontas close behind, needs a repeat victory over the disappointing Collinsville Boosters, who have dropped four straight since opening the season with a pair of wins.

Jack Baente is the likely starter for Mercer at Pocahontas, and Dave Shepkins probably will do the pitching at Wilson Park for the Hearts. All Sunday games begin at 2:30 p.m.

## Competitive Swim Clinic Saturday At Paddlers Pool

Paddlers pool will host a public swimming, diving and pool meet scoring clinic at 9 a.m. Saturday, pool manager Keith Parker said.

"All persons interested in competitive swimming, diving, scoring and water safety are invited to attend," he said.

Diving techniques will be demonstrated by Roger Counsel of Alton, a former AAU champion. Don Leas of the Sunset Hills country club will give a swimming meet rules, scoring and violations which can mean disqualification.

Parker added that members of Paddlers, Inc. can register now for swimming instruction courses by contacting him.

## Warriors Hit Only .202 As Team During 5-13 Season

A mediocre team batting average and 65 defensive errors in 18 games were the big "non-paper" reasons why Granite City high school's baseball Warriors finished the season with a 5-13 record and were last in the Southwestern conference standings with a 2-10 mark, statistics released by Coach Joe Fedora.

But of 19 players awarded letters, Fedora can probably count on 16 returnees next season, if all overclassmen report for practice.

That, plus a crop of fine sophomore prospects from Don Brumley's 19-2 club, makes the 1963 picture a brighter one in 1963.

**Taylor Leader At Plate**  
At the plate this season, GCHS had only three batters who swung at a 300 clip or better led by First Baseman Al Taylor who hit .333. He led the team in hits with 15 and was also the RBI leader with 17.

Senior Dave Sparks, out a good part of the season with injuries, batted .316, and the third consistent producer was sophomore Ron Yates, who hit an even .300. Following close behind were Glenn Hoffman at .282 and Pitcher Bill Lierman at .266.

Terry Kofahl was the Warriors' only pitcher with a winning (2-1) record, and most of his appearances were in relief. Kofahl, Perry Taylor and Charlie Papp each had respectable earned run averages of less than 3.00 in 13 decisions, pointing again to the sometimes uncertain support behind them.

**Only Two Hitters**  
In 504 at-bats, the Warriors gathered only 102 hits off opposing pitchers, and only 22 of those were for extra bases. Larry Corey had the club's only home run—he hit two in one game against Edwardsville.

The Warriors managed eight triples and 12 doubles.

Corey and Hoffman were elected honorary team captains by fellow squad members at the conclusion of the season.

## Alt-Wood Takes Lead In 35-Plus Loop, 13-3

VFW Post 1300 pushed across a tie-breaking run in the seventh inning to edge Club Delmar 7-4, and Alt-Wood Fuel banged out 18 hits to smother Granite City 13-3 in the 35-plus loop. Alt-Wood's 13-3 victory was the club's fourth straight win in the 35-plus loop.

Alt-Wood scored in every inning but the fifth in the first contest as Paul Thompson threw a six-hitter at Trust Bank. He Bauer led Alt-Wood at the plate as he connected for his third home run in two games in the fourth frame with one man on.

Losing pitcher Verne Deutchman collected a triple for Trust Bank, as did Boyd McCommis for Alt-Wood. It was the second one-run loss for Trust Bank, and dropped the club to last place in the four-team league. Alt-Wood is on top with a 2-0 mark.

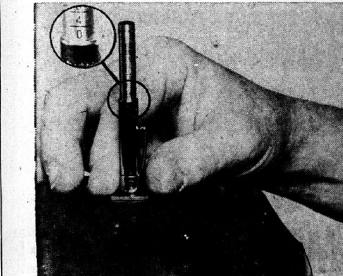

Buehler and Corey, Juniors Hoffman, Jim Cavanaugh, Terry French, Dick Frizzell, Bob Ketter, Rich Hahn, Bill Niepert, Taylor, Kofahl, Bill Lierman, Taylor and Papp, and sophomores Yates, Jim Proffitt, Bob Karand, Jeff and Marty LeVault, a catcher who hit a timely .281.

Managers' letters went to Clint Van Zant and Ken Hubert.

**"ROAD RUNNER" TEST PROVES EXTRA WEAR**  
The Road Runners of Texas, leading independent tire testing fleet, matched Gates' revolutionary low profile nylon against 5 other leading brands.

All 6 tires were same price level, run on same cars, rotated from wheel to wheel, carried the same load. The other 5 brands had little or no tread left when Gates still showed 6/32"—enough for thousands more miles.

**HERE'S WHY YOU GET BONUS MILES**  
Gates builds the extra tough nylon tire lower and wider—more nearly the running shape of a tire. This low profile design reduces sidewall flexing, lets tire run cooler, causing less tread wearing on the road. This means far more miles of service for you—at no extra cost!

## Cards Call Up Maxvill From Tulsa

Smooth-fielding shortstop Dal Maxvill of Granite City was called up Tuesday by the sagging St. Louis Cardinals from the parent organization's Tulsa club in the Class AA Texas league, where Maxvill was leading the loop with a .336 batting average.

The move was sudden but not unexpected, since Maxvill has been regarded as the best defensive shortstop in the Cardinals farm system since his showing in spring training with the Redbirds.

Not likely to move into the lineup on a regular basis since Julio Gotay has proved adequate at shortstop for the Redbirds, Maxvill may be used as a pinch hitter or in late-inning defensive roles.

The 23-year-old graduate of Washington University finished the 1961 season at Charleston, S.C., as a Cardinal Triple-A affiliate, with a .229 batting average, but has not been below the 300 mark this season with the Orioles.

The Cardinals flew him to St. Louis from Texas Tuesday night, with Dal arriving in time to suit up and watch the last six innings of a 10-9 Cardinal victory over the Cincinnati Reds.

Cardinal Manager Johnny Keane had Maxvill at the bat rack once as a possible pinch hitter.

Dal's wife, Diana, and the couple's 8-month-old daughter, Kathy, were in Tulsa when the former Inter-City league player received his call, and they are expected to arrive here later this week. His parents, Mr. and Mrs. Harold Maxvill, reside at 1841 Edison avenue.

Mrs. Maxvill is the former Diana Sinclair. Her father, Robert Sinclair, 2505 Lynch avenue, left by plane yesterday for Tulsa, and is to return with his daughter and granddaughter to Granite City, where Dal and family plan to reside temporarily in an apartment near his parents' home.

The Sinclairs had planned to visit their daughter and son-in-

law in Tulsa this week. "But our travel plans have been changed," said Mrs. Sinclair, not unhappily. "There were quite a few phone calls made Tuesday night between Texas, Oklahoma and Illinois."

In two seasons with the GCHS team, Maxvill hit 500 and 435, and "impressed everybody with his glove work," former Warriors baseball coach Al Lewis recalls. During those two campaigns, GCHS won 42 games.

#### Collects Own Insurance Policy At 96 Years

Few people live long enough to collect the proceeds of their own life insurance policies. Ernst Sieveking, 96, a long-time resident of Granite City, collected his Monday. He had outlived the mortality table on which his policy was written. The table is based on a maximum age of 96.

Representatives of General American Life Insurance Co. paid Sieveking a visit at Lutheran Convalescent Home in south St. Louis and presented him his check.

Sieveking served as superintendent of parks in Granite City for 42 years. He still has the title of superintendent of parks emeritus.

Sieveking is the father of five living children, 11 grandchildren, 22 great-grandchildren and one great-great-grandchild. One of his daughters is Mrs. Theodore C. Aufderheide, of 2029 Cleveland blvd. Another daughter, Mrs. R. J. Wilson, resides at Wood River.

#### Twilight Optimists Elect New Officers

Arthur L. Metcalf was elected president of the Twilight Optimist club Monday night at the regular meeting held at the Den in Granite City. He is superintendent of mails at the Granite City post office.

The first vice-president is Robert Spengler, Gerald Rosenberg is second vice-president and Arthur D. Conary is secretary-treasurer.

Elected to the board of directors were Harold Matton, Dwight Taylor, Paul Seebold and Charles Landis. The first alternate to the board is Wilson Andrews.

The guest speaker was Al Weider, safety director of Dow Metal Products Co. He demonstrated the latest means of mouth-to-mouth resuscitation, using Resusc-Aid, a life-size dummy.

**In Memoriam 33**  
IN MEMORY of my darling son,  
Raymond Grah, Jr., who de-  
parted this life eleven years ago,  
on June 9, 1951.  
How I miss you, dearest Son.  
When the evening shadows fall  
I miss your cheery smiles, and  
keep listening  
To your footsteps in the hall.  
But I miss you most at twilight.  
When all weary with my day;  
How I long to sit again and  
listen.  
Sit and listen while you play—  
Please, miss you all the day.  
Miss your singing and your  
smiles;  
Yes, my darling, I just miss you.  
Miss you all the while.  
Please, miss you all the while  
As we journey here below;  
Please, miss you all the day.  
When the Master calls to go—  
So I'll keep our pleasant mem-  
ories.  
When Master tucked all safe away.  
Till our Master calls me to join  
you  
In our home so far away.  
With love, Your Mother,  
Mrs. Emma E. Toth. 32-6-7

The requisite affidavit having  
been filed, the court has ordered  
that the above cause be heard  
on June 11, 1962, at 10:00 a.m.  
in the Court House, East St. Louis,  
Illinois, by the said Plaintiff, Kath-  
ryn Marie Drury, against you,  
James William Drury, defendant,  
in said numbered 62-C-254 in  
Chancery and is still pending.  
And that James William Drury,  
defendant, is to be served by  
publication.  
Now therefore, unless you, James  
William Drury, said de-  
fendant, file your answer to the  
complaint or otherwise appear in  
said suit in the said Circuit  
Court of Madison County, Illi-  
nois, on or before June 28, 1962,  
default may be entered against  
you at any time after that date  
and a Decree entered in accord-  
complaint.  
Dated this 18th day of May,  
A. D. 1962.  
WILLARD V. PORTELL  
Clerk of the Circuit Court  
of Madison County, Illinois
